That the entry to James Rimmer was granted inadvertently and in error as under the provisions of The Dominion Lands Act the lienholder (The Canadian Pacific Railway Company) was entitled to a patent for the land subject to placing thereon another bona fide settler and failing to secure such patent for the quarter in question are entitled to another quarter section in lieu thereof.

That the company has selected the northwest quarter of Section 14, Township 9, Range 30, west of the 2nd Meridian, in the Province of Saskatchewan, containing 159 acres, which it required for the Assiniboia Water Supply and which is available for the purpose, having been abandoned, upon payment of \$1,000 in favour of the Railway Company by one Carl Mollberg who held entry therefore as a pre-emption.

The Minister further states that both the quarter-sections referred to have been inspected and valued by officers of the Department of the Interior, the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian, at \$10.00 an acre, and the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 20, west of the 2nd Meridian, at \$25.00 an acre, that the Canadian Pacific Railway Company has remitted to the Department the sum of \$1,375.00 being the difference in the value thereof less the amount of \$1,000 paid by the company to the former entrant of the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, and has also discharged the lien registered against the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian.

The Minister recommends that this exchange be confirmed under section 76 of The Dominion Lands Act and that letters patent be issued in favour of the Canadian Pacific Railway Company for the said N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, in lieu of the said N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 28, west of the 4th Meridian, to which the company was entitled as statutory lienholders.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,

Clerk of the Privy Council.

## CIVIL SERVICE EXAMINATIONS.

**PUBLIC** Notice is hereby given that general competitive examinations, under the direction of the Civil Service Commission of Canada, will be held during the week beginning the 8th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Moosejaw, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault Ste. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, St. John, Moncton, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to write at any one place.

The examinations will have reference to the following permanent positions in the Inside Division of the Civil Service of Canada, which will require to be filled during the fiscal year 1916-1917, and the Commissioners take this opportunity of announcing that, from present indications, it is not probable that the requirements of the public service will render necessary another examination in the month of November next.

Persons desiring to qualify for appointment to the Inside Service should make a note of this fact, and present themselves, if possible, at the May examinations.

30 clerkships (for men) in Subdivision B of the Third Division. In the case of five of these clerkships, preference will be given to men who possess a knowledge of stenography.

20 clerkships (for women) in Subdivision B of the Third Division. Sixteen of these clerks are required to be appointed to the Census staff, and preference will accordingly be given to those who have had previous training and experience on that staff.

30 positions as stenographers and typists (for women) in Subdivision B of the Third Division.

15 clerkships (for men) in Subdivision B of the Second Division.

The initial salary for clerks and stenographers in Subdivision B of the Third Division is \$500, and in Subdivision B of the Second Division \$800, but in case the qualifications required for the performance of the duties of a position are of an exceptional character, a further sum, not to exceed \$300 in the Third Division or \$500 in the Second Division, may be added to the initial salary by the Governor in Council.

A general examination for positions as messenger, porter, packer or sorter in the lower grade of the Inside Service, will be held at the same time and places as the above examination for clerkships.

It is also announced that a staff of fifty temporary female clerks will be required on or about the 15th June next for the compilation of the Census returns of the North West. These temporary clerks may be employed on the Census staff for any period not exceeding three years. They will be paid an initial salary of \$500 per annum, and will be eligible for an annual statutory increase of \$50. It should be understood, however, that they are not entitled by reason of service in the compilation of the census to any further employment. The temporary clerks required for the Census staff will be selected from the list in order of merit, of candidates at the regular examination for Third Division clerkships who have not obtained a sufficiently high standing on the list to be declared eligible for permanent appointment.

Persons desiring to present themselves for any of the above examinations may obtain all necessary information, copies of the rules and regulations, and forms of application, from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms of intending candidates, duly filled in and accompanied by the prescribed fee in each case (viz: \$4.00 for Third Division, \$8.00 for Second Division, and \$2.00 for lower grade), must be filed with the Civil Service Commission on or before the 15th day of April next. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

Ottawa, 9th March, 1916.

N.B.—Temporary employment cannot, under the provisions of The Civil Service Amendment Act, 1908, continue for a longer period than six months in any one fiscal year, but there is a possibility that the most satisfactory of the successful candidates will be appointed to a permanent position at the expiration of their term of temporary employment.

Application forms, properly filled in, must be filed in the office of the Civil Service Commission not later than the 20th day of March next. Such forms may be obtained from the Secretary of the Commission, Ottawa.

**(44) Gulf of St. Lawrence—Dates for closing down lights.**

In the preface to the List of Lights and Fog Signals on the Atlantic Coast of Canada, it is stated that lights are maintained in operation whenever navigation in the vicinity is open.

This statement is hereby qualified, by adding, after the clause referring to lightships in the river St. Lawrence, the following :—

Past experience shows that the average date for placing the lightships in the spring is April 20, and for their removal in the autumn Nov. 28.

As it is impossible to communicate with many isolated stations in the Gulf of St. Lawrence late in the autumn, navigation in the river and gulf will be declared closed on Dec. 23, and the lights will be extinguished after the night of Déc. 22. If for any exceptional reason it is found desirable to extend this date, arrangements can be made through the Agency of the Department at Quebec for notifying such stations as can be reached by telegraph or telephone service. The most remote and some island stations cannot be reached.

The lights on Brion island and Bird rocks are kept in operation till Dec. 31.

The lights at Cape Ray and Cape Anguille, Newfoundland, are kept in operation till Jan. 31.

**(46) Signalling and Signalling Lamps—Regulations and requirements for British ships.**

The Marine Department, Board of Trade, London, England, has published the following regulations relating to signalling and signalling lamps :—

“Under Regulation 37 of the Regulations made under the Defence of the Realm Act, British vessels are required to comply with any orders given, whether by signal or otherwise, by any officer in command of any of His Majesty's Ships, or by any Naval or Military Officer engaged in the Defence of the Coast.

Under Regulation 37a, which comes into force on the 1st March, 1916, British ships of 500 tons or upwards, must be provided before going to sea with suitable hand flags for signalling by the Semaphore code, and with an efficient flash lamp for signalling by the Morse code. The lamp shall be of such power and size that the signals made with it are distinctly visible at a distance of three miles on a dark night in clear weather. In view of these requirements, and the penalties for non-compliance, all such ships should be provided with the necessary lamp and flags, and there should be an officer or seaman on board competent to receive and transmit signals both in the Morse and in the Semaphore code.

Further information as to the character of the signalling lamp with which ships should be provided, and as to the importance of an adequate knowledge of signalling on the part of officers of merchant ships and the standard of proficiency required from candidates for certificates, is contained in Handbill 367 and Instructions to Surveyors, Circular 1569."

## NORTH ATLANTIC OCEAN.

## (52) Trans-Atlantic steamship routes—Ice patrol service.

For the purpose of carrying on the ice observations and ice patrol service provided for by the International Convention for the Safety of Life at Sea, London, 1913-14, the U. S. C. G.

C. *Seneca* will leave New York about February 15, 1916, and proceed to the Grand Banks of Newfoundland, locate the ice fields and icebergs, make such observations as practicable on the quantity of ice, its kind, extent and drift, and obtain any other information that may seem to be of value.

The object of the patrol is primarily to ascertain the location and progressive movement of the limiting lines of the regions in which icebergs and field ice exist in the vicinity of the Grand Banks of Newfoundland and to disseminate this

information for the guidance and warning of navigators. Coordinately with these primary duties the *Seneca* will make such oceanographical and meteorological observations as will contribute toward a knowledge of the causes why the limiting lines assume their observed locations.

During the period of ice observations the *Seneca* will be the only vessel employed on this duty; but when the ice has moved southward so as to make a constant patrol necessary an additional vessel will be detailed for that purpose.

The experience of previous years has shown that a continuous ice patrol should be established about April 1, and continued throughout the season of dangerous ice conditions.

Upon getting in touch with the ice the *Seneca* will send a report daily to the U. S. Branch Hydrographic Office, New York City, at 4 a.m., 75th meridian time, addressed "Hydrographic, New York." An endeavour will be made to communicate direct with coast radio stations, but should the *Seneca* be unable to communicate with any of these stations, the message will be relayed through any vessel within reach.

The ice information will be given in as plain and concise English as practicable and will state the following:

- (a) Ice (berg or field).
- (b) Date.
- (c) Time (75th meridian).
- (d) Latitude.
- (e) Longitude.
- (f) Other data as may be necessary.

While on this duty the patrol vessel will endeavour by means of daily radio messages to keep vessels at sea advised of the limits of the ice fields, etc.

The *Seneca's* call letters are NRE and she uses wave lengths of 300, 600, 750 and 1,000 metres.

The radio messages from the patrol vessels will be given publicity immediately upon their receipt by the U. S. Branch Hydrographic Office, New York, and by the U. S. Hydrographic Office, Washington, D. C.

*As Revised and brought in force 22nd March, 1906*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

- (1) The petitioner's residence at the time of service.
- (2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

A LA COUR AU PALAIS DE BUCKINGHAM,  
LE 27<sup>E</sup> JOUR DE JANVIER 1916.

PRÉSENT :

SA TRÈS EXCELLENTE MAJESTÉ LE ROI  
EN CONSEIL.

**A**TTENDU que par l'arrêté dit " Aliens Restriction (Consolidation) Order, 1914," (désigné au présent comme l'arrêté principal), l'arrêté dit " Aliens Restriction (Belgium Refugees) Order, 1914," l'arrêté dit " Aliens Restriction (Amendment) Order, 1915," et autres arrêtés en conseil, il a plu à Sa Majesté d'imposer des restrictions sur les aubains et d'établir divers règlements pour mettre ces restrictions en vigueur ;

Et attendu qu'il est opportun de modifier et d'étendre les dispositions de ces arrêtés de la manière qui suit,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé d'ordonner et il est par le présent ordonné comme suit,—

*Extension de l'article 19 de l'arrêté principal.*

1. A compter du quatorzième jour de février mil neuf cent seize, l'article 19 de l'arrêté principal (qui impose certaines obligations au sujet de l'enregistrement des aubains résidant dans les territoires prohibés) s'étendra de manière à imposer les mêmes obligations au sujet des aubains résidant à un endroit quelconque, et en conséquence cet article sera exécutoire comme si les mots " résidant dans un territoire prohibé et un étranger ennemi " étaient omis du dit article.

Sauf que—

(a) Un Secrétaire d'Etat peut ordonner que dans tout territoire mentionné dans le dit article, tel que modifié par le présent article, il ne s'appliquera pas au sujet de ce territoire aux aubains amis résidant dans ce territoire à la date de l'entrée en vigueur du présent article ; et

(b) le dit article, tel que modifié par le présent article, ne s'appliquera pas dans le cas des réfugiés belges.

*Restrictions additionnelles imposées sur les aubains au sujet des territoires prohibés.*

2. L'article suivant, à compter de la date fixée ci-après, sera substitué à l'article 2 de l'arrêté dit " Aliens Restriction (Amendment) Order, 1915 " :—

(1) A compter de la date qui pourra être fixée par ordre d'un Secrétaire d'Etat, un aubain, sans une permission spéciale du préposé à l'enregistrement, ne

pourra entrer ou se trouver dans un territoire prohibé quelconque à moins qu'il ne soit en possession d'un carnet d'identité obtenu en conformité du présent arrêté et dûment rempli et attesté :

Sauf que—

(a) lorsqu'un aubain, à la date du présent arrêté, réside et est dûment enregistré dans un territoire prohibé, la présente disposition ne s'appliquera pas à lui tant qu'il y résidera.

(b) Un Secrétaire d'Etat peut exempter des dispositions du présent article toute classe d'aubains, lorsqu'il lui est démontré qu'on a pris des moyens suffisants pour établir leur identification autres que la possession d'un carnet d'identité ; et

(c) Un aubain venant d'un endroit quelconque hors du Royaume-Uni et débarquant dans le Royaume-Uni sans un carnet d'identité peut avoir la permission, subordonnée aux dispositions de l'arrêté principal, de se rendre à sa destination dans le Royaume-Uni si le passeport ou autre document qu'il est obligé d'avoir en sa possession en débarquant dans le Royaume-Uni contient, ou s'il fournit les détails contenus dans l'annexe du présent arrêté que peut exiger un officier des aubains ; mais tout tel aubain se rendra directement à sa destination, et en y arrivant il devra, dans les vingt-quatre heures, se conformer à toutes les dispositions de l'arrêté principal, tel que modifiées par tout arrêté subséquent, y compris le présent arrêté, qui lui sont applicables ; et

(d) le présent article ne s'appliquera pas à un aubain qui entre en territoire prohibé ou s'y trouve dans le seul but de s'embarquer immédiatement à un port de ce territoire prohibé ; et

(e) le présent article ne s'appliquera pas à un aubain qui semble avoir moins de dix-huit ans et qui est sous les soins de quelque autre personne dépassant cet âge.

Si un aubain, lorsqu'il en sera requis par un officier quelconque ou par tout soldat ou matelot placé en sentinelle ou faisant la patrouille ou autre semblable devoir, ou par tout officier des aubains ou sergent de ville, néglige de produire son carnet d'identité à une époque quelconque lorsqu'il doit l'avoir en sa possession en vertu du présent article, il peut être détenu, sans préjudice à toute autre peine, en attendant que des enquêtes soient faites au sujet de son identité, et tant qu'il sera ainsi détenu il sera censé être emprisonné.

(2) Subordonnée aux instructions spéciales ou générales d'un Secrétaire d'Etat, tout aubain qui, après que le présent article sera en vigueur, est entré en territoire prohibé dans lequel il ne résidait pas à la date du présent arrêté, peut être sommé, par le préposé à l'enregistrement pour ce territoire, de quitter le territoire immédiatement et de n'y pas retourner subséquemment sans sa permission spéciale ; tout tel ordre sera entré dans le carnet d'identité de l'aubain, et l'aubain devra se conformer à cet ordre.

(3) Lorsque toute telle permission spéciale d'un préposé à l'enregistrement, comme susdit, a été accordée subordonnée à des conditions quelconques et que la personne à qui elle a été accordée néglige de se conformer à toutes telles conditions, elle sera censée coupable d'une contravention à l'arrêté principal.

(4) Le présent article sera exécutoire comme s'il était inclus dans la Partie II de l'arrêté principal, et cet arrêté sera exécutoire en conséquence.

*Carnets d'identité.*

3. Le carnet d'identité sera conforme à la formule décrite dans l'annexe du présent arrêté, et les dispositions contenues dans cette annexe seront exécutoires relativement aux carnets d'identité.

Si une personne quelconque se sert, pour les fins du présent arrêté, d'un carnet d'identité où il s'agit de toute personne autre que d'elle-même, ou en inscrivant les détails contenus dans le carnet d'identité ou dans le but d'obtenir un carnet d'identité fait quelque fausse déclaration ou fausse représentation, elle sera censée avoir agi en contravention à l'arrêté principal.

## Devoirs des hôteliers, etc.

4. (1) L'article trois de l'arrêté dit "Aliens Restriction (Amendment) Order, 1915," sera exécutoire comme si les dispositions suivantes étaient substituées aux alinéas (1) à (4) inclusivement du dit arrêté :

3. (1) Le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra tenir un registre de toutes les personnes de plus de quatorze ans demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, qui sont des aubains.

Le propriétaire de tout tel hôtel, auberge, maison de pension ou hôtel garni devra, le plus tôt possible après que toute telle personne vient demeurer à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, inscrire son nom et sa nationalité dans le registre, ainsi que la date de son arrivée ; et au départ de toute telle personne il devra, le plus tôt possible, inscrire la date de son départ et sa destination à son départ dans le registre, et il inscrira aussi dans le registre, de temps à autre, les autres détails qui pourront être prescrits par un Secrétaire d'Etat, et si le propriétaire d'un hôtel, d'une auberge, d'une maison de pension ou d'un hôtel garni néglige de se conformer à l'une quelconque des dispositions ci-dessus du présent article, ou s'il fait une entrée quelconque dans tout tel registre qu'il sait être fausse ou dont il aurait pu s'assurer de la fausseté en y apportant une diligence raisonnable, il sera censé coupable de contravention à l'arrêté principal.

(2) Le propriétaire de chaque hôtel, auberge, maison de pension ou hôtel garni devra également, si des instructions à cet effet sont données par un Secrétaire d'Etat, faire les rapports au préposé à l'enregistrement du district d'enregistrement dans lequel est situé l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, au sujet des personnes demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, aux époques ou intervalles et en la manière indiquée dans ces instructions, et s'il néglige de les faire ou s'il fait quelque rapport faux, il sera censé coupable de contravention à l'arrêté principal.

(3) Le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra—

(a) dans le but de s'assurer si une personne quelconque demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni est ou n'est pas un aubain, exiger que chaque personne (que ce soit un aubain ou non) qui demeure à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni lui fournisse, selon la formule que pourra prescrire un Secrétaire d'Etat, les détails contenus dans cette formule ; et

(b) chaque personne (que ce soit un aubain ou non) devra fournir ces dits détails lorsqu'elle en sera requise.

Si le propriétaire de tout hôtel, auberge, maison de pension ou hôtel garni négligé d'exiger de toute personne demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni qu'elle lui fournisse ces renseignements comme susdit, il sera censé coupable de contravention à l'arrêté principal ; et si une personne quelconque demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni néglige de fournir quelque renseignement lorsqu'elle en sera requise ou donne de faux renseignements, elle sera censée coupable de contravention à l'arrêté principal.

(4) Chaque registre tenu sous l'empire du présent article, et tous les détails fournis sous l'empire du présent article seront soumis, à toutes heures raisonnables, à l'inspection de tout officier de police ou de toute personne autorisée par un Secrétaire d'Etat.

(2) Dans l'application de l'article (3) de l'arrêté dit "Alien Restriction (Amendment) Order, 1915," tel que modifié par le présent arrêté, aux hôtels ou autres maisons de pension dans lesquelles des réfugiés belges sont logés, le gérant ou le secrétaire, ou toute autre personne chargée de l'administration de l'hôtel ou de la maison de pension, sera censée en être le propriétaire, qu'elle soit payée ou non.

## ARRÊTES EN CONSEIL.

[404]

### HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 25e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 21 février 1916, représentant que des réclamations contradictoires ont été faites en rapport avec le quart sud-ouest de la section 10, township 20, rang 2, à l'ouest du 5e méridien, par Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, éleveur, de Millarsville, dans la province d'Alberta, et Robert James Price, cultivateur, de Black Diamond, dans la même province.

Le Ministre fait le rapport suivant quant à cette question, savoir :

Le terrain en litige est réclamé par la succession Fisher en raison d'une vente à Joseph Fisher autorisée par un arrêté en conseil daté le 21 mai 1908. Le terrain a été vendu au prix de \$3.00 l'acre, sujet à un rabais représentant le coût de certains travaux d'irrigation qui devaient être faits sur ces terres et sur les terres adjacentes. Ce terrain faisait partie des 2,000 acres vendus à feu Joseph Fisher au même prix et aux mêmes conditions. Le terrain a été entièrement payé et les conditions de la vente remplies.

Robert J. Price réclame le dit quart de section en vertu d'une inscription de homestead datée le 18 mai 1906, qui a été annulée le 14 novembre 1907, mais rétablie le 27 octobre 1911. M. Price a résidé continuellement sur le terrain depuis la date de sa première inscription et y a fait des améliorations importantes sous forme de bâtiments, clôtures, puits, défoncement, défrichement et culture. M. Fisher a creusé un canal d'irrigation traversant le quart de section en rapport avec son projet d'irrigation, mais n'a pas autrement occupé ou amélioré le terrain.

Lorsque le terrain a été vendu à Joseph Fisher, en mai 1908, l'inscription de homestead de M. Price avait été annulée et le terrain était alors disponible pour la vente, nonobstant le fait que M. Price y résidait encore et refusait de s'en départir.

On constata subséquemment que considération suffisante n'avait pas été donnée au titre de M. Price à ce terrain lorsque son inscription fut annulée, et, par conséquent, ses droits furent reconnus par le renouvellement de son inscription en octobre 1911. Dans l'entretemps, cependant, le terrain avait été légalement vendu à M. Fisher, qui en avait payé le prix, de sorte que la reconnaissance tardive des droits de M. Price était injuste pour M. Fisher dont le système d'irrigation subissait ainsi une dépréciation, et de plus parce que le contrôle des canaux d'irrigation qui traversaient le quart sud-ouest de la dite section dix étaient essentiels à l'irrigation d'autres parties de son système.

Des efforts répétés ont été faites pour réconcilier ces réclamations contradictoires, mais sans succès jusqu'à tout récemment. Toutefois, un arrangement a été effectué par lequel Madame Fisher consent à renoncer à tout titre au terrain à certaines conditions qu'il est du domaine du Ministre d'accorder et qui sont jugées raisonnables, et à condition de plus qu'il lui soit concédé un autre quart de section en remplacement de celui auquel elle renonce.

Par conséquent, le Ministre demande l'autorisation de permettre à Madame Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, de choisir, libre de toute charge, un autre quart de section disponible pour l'inscription de homestead ou de préemption en considération de sa renonciation à tout droit au dit quart sud-ouest de la section 10, township 20, rang 2, à l'ouest 5e méridien, le choix du terrain devant être fait dans le délai d'un an de cette date.

Le comité agréé cette demande et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 février 1916, représentant que le Surintendant des terres des écoles, à Winnipeg, a fait rapport qu'après consultation avec plusieurs inspecteurs des terres scolaires il est fortement d'avis qu'il serait de l'intérêt du fonds des écoles de faire une série de ventes à l'enchère des terres scolaires dans les provinces du Manitoba, Saskatchewan, et Alberta au cours du printemps prochain ou au commencement de l'été.

Avant de décider en la matière le Ministre a consulté les premiers ministres des trois provinces quant à l'opportunité de faire ces ventes, et chacun d'eux a exprimé son approbation et déclaré qu'à leur avis le temps serait opportun de mettre en vente certains de ces terrains.

Il est projeté de faire ces ventes à l'enchère aux endroits suivants :

Vendredi, le 25e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 21 février 1916, représentant que des réclamations contradictoires ont été faites en rapport avec le quart sud-ouest de la section 10, township 20, rang 2, à l'ouest du 5e méridien, par Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, éleveur, de Millarsville, dans la province d'Alberta, et Robert James Price, cultivateur, de Black Diamond, dans la même province.

Le Ministre fait le rapport suivant quant à cette question, savoir :

Le terrain en litige est réclamé par la succession Fisher en raison d'une vente à Joseph Fisher autorisée par un arrêté en conseil daté le 21 mai 1908. Le terrain a été vendu au prix de \$3.00 l'acre, sujet à un rabais représentant le coût de certains travaux d'irrigation qui devaient être faits sur ces terres et sur les terres adjacentes. Ce terrain faisait partie des 2,000 acres vendus à feu Joseph Fisher au même prix et aux mêmes conditions. Le terrain a été entièrement payé et les conditions de la vente remplies.

Robert J. Price réclame le dit quart de section en vertu d'une inscription de homestead datée le 18 mai 1906, qui a été annulée le 14 novembre 1907, mais rétablie le 27 octobre 1911. M. Price a résidé continuellement sur le terrain depuis la date de sa première inscription et y a fait des améliorations importantes sous forme de bâtiments, clôtures, puits, défoncement, défrichement et culture. M. Fisher a creusé un canal d'irrigation traversant le quart de section en rapport avec son projet d'irrigation, mais n'a pas autrement occupé ou amélioré le terrain.

Lorsque le terrain a été vendu à Joseph Fisher, en mai 1908, l'inscription de homestead de M. Price avait été annulée et le terrain était alors disponible pour la vente, nonobstant le fait que M. Price y résidait encore et refusait de s'en départir.

On constata subséquemment que considération suffisante n'avait pas été donnée au titre de M. Price à ce terrain lorsque son inscription fut annulée, et, par conséquent, ses droits furent reconnus par le renouvellement de son inscription en octobre 1911. Dans l'entretemps, cependant, le terrain avait été légalement vendu à M. Fisher, qui en avait payé le prix, de sorte que la reconnaissance tardive des droits de M. Price était injuste pour M. Fisher dont le système d'irrigation subissait ainsi une dépréciation, et de plus parce que le contrôle des canaux d'irrigation qui traversaient le quart sud-ouest de la dite section dix étaient essentiels à l'irrigation d'autres parties de son système.

Des efforts répétés ont été faites pour réconcilier ces réclamations contradictoires, mais sans succès jusqu'à tout récemment. Toutefois, un arrangement a été effectué par lequel Madame Fisher consent à renoncer à tout titre au terrain à certaines conditions qu'il est du domaine du Ministre d'accorder et qui sont jugées raisonnables, et à condition de plus qu'il lui soit concédé un autre quart de section en remplacement de celui auquel elle renonce.

Par conséquent, le Ministre demande l'autorisation de permettre à Madame Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, de choisir, libre de toute charge, un autre quart de section disponible pour l'inscription de homestead ou de préemption en considération de sa renonciation à tout droit au dit quart sud-ouest de la section 10, township 20, rang 2, à l'ouest 5e méridien, le choix du terrain devant être fait dans le délai d'un an de cette date.

Il appert que M. Le Ministre soumet les copies annexées de certificats médicaux des docteurs J. F. Brander et M. A. Hall, déclarant que M. Creighton souffre d'une affection progressive des deux yeux ainsi que d'une maladie de poitrine,—

Dans les circonstances, le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. 15 emplois (pour hommes) dans la subdivision B de la deuxième division.

Le traitement initial des commis et des sténo-dactylographes dans la subdivision B de la troisième division est de \$500, et dans la subdivision B de la deuxième division de \$800, mais au cas où il est nécessaire de posséder des aptitudes spéciales pour remplir les fonctions d'une charge, le Gouverneur en conseil peut ajouter au traitement minimum une somme additionnelle ne dépassant pas \$300 pour la troisième division et \$500 pour la deuxième.

Un examen général pour positions de messager, emballer, trieur et chargeur, dans les grades inférieurs du Service intérieur, sera tenu aux mêmes temps et lieu.

Il est de plus annoncé qu'un personnel de cinquante commis temporaires femmes sera requis le ou vers le 15 juin pour faire la compilation du recensement du Nord-Ouest. Ces commis temporaires peuvent être employés aux travaux du recensement pour une période ne dépassant pas trois ans. Le traitement qu'il leur sera payé sera de \$500 par année, avec augmentation annuelle statutaire de \$50. On doit comprendre, cependant, qu'ils n'ont pas droit à un autre emploi en raison de leurs services aux travaux du recensement. Les commis temporaires requis pour les travaux du recensement seront choisis, par ordre de mérite, sur la liste des candidats aux examens réguliers de troisième division qui n'auront pas obtenu un rang suffisamment élevé pour se qualifier pour emploi permanent.

Les personnes qui désirent se présenter à l'un des examens mentionnés ci-dessus peuvent obtenir tous les renseignements nécessaires, copies des règlements et formules de demande d'inscription, en s'adressant au Secrétaire de la Commission du Service Civil, à Ottawa, soit personnellement ou par écrit.

Les formules de demande d'inscription des aspirants, dûment remplies, et accompagnées des honoraires requis (\$4.00 pour la troisième division, \$8.00 pour la deuxième division et \$2.00 pour les grades inférieurs) doivent parvenir au bureau de la Commission du Service Civil pas plus tard que le 15 avril prochain. Cette règle est de rigueur.

Par ordre de la Commission,

WM FORAN,  
Secrétaire.

| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisible et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

THOMAS B. FLINT,

Greffier de la Chambre des Communes.

Quiconque désire obtenir du Parlement une charte de chemin de fer, devra observer les règles ci-dessous, établies par la Chambre des Communes, au sujet de la production de cartes :—

#### CARTE OU PLAN ACCOMPAGNANT LA PÉTITION.

93. "L'Examineur ou le comité des Ordres permanents ne prendra connaissance d'aucune pétition demandant la constitution en corporation d'une compagnie de chemin de fer, ou d'une compagnie ayant pour objet la construction d'un canal, ou demandant un prolongement de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, avant que soit produit devant ce comité une carte ou un plan, indiquant l'emplacement projeté des ouvrages, et chaque comté, township, municipalité ou district à travers lesquels le chemin de fer, le canal, l'embranchement ou le prolongement projeté, doit être construit"

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

94. "Nul bill tendant à la constitution en corporation d'une compagnie de chemin de fer ou de canal ou à l'effet de changer le tracé du chemin de fer ou du canal d'une compagnie déjà constituée, ne sera mis à l'étude par le comité des Chemins de fer, à moins qu'il n'ait été produit devant le comité, au moins une semaine avant l'examen du bill—

(a.) "Une carte ou un plan à une échelle d'au moins un demi-pouce au mille, et indiquant le territoire sur lequel il est question de construire les ouvrages projetés, et indiquant aussi les ouvrages analogues existants ou autorisés, dans la région ou partie de la région que la ligne projetée doit desservir, ou qui ont quelque effet sur la dite région ; et cette carte ou ce plan doit porter la signature de l'ingénieur ou autre personne qui l'a fait ;

(b.) "Une pièce faisant connaître le montant total du capital que l'on se propose de consacrer aux fins de l'entreprise, et la manière dont on se propose de se le procurer, soit au moyen d'actions ordinaires, d'obligations, de débentures ou d'autres valeurs, et le montant respectif à réaliser de chacun de ces chefs."

#### SENAT.

#### SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 12th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 7th February, 1916, from the Minister of the Interior, submitting that the Superintendent of School Lands, Winnipeg, has reported that after consultation with the several Inspectors of School Lands, he is strongly of the opinion that it would be in the interests of the School Lands Endowment Funds to hold a series of Auction Sales of School Lands in the Provinces of Manitoba, Saskatchewan and Alberta during the coming spring or in the early part of the summer.

Before taking any final action in the matter, the Minister consulted the Premiers of the three provinces as to the advisability of holding the sales referred to, and they have each expressed their concurrence and have stated that in their opinion it would be an opportune time to place some of these lands on the market.

It is proposed to hold the auction sales at the following points :—

Glenella, Manitoba.	Indian Head, Saskatchewan
Dauphin, “	Moosejaw, “
Rosburn, “	Wymark, “
	Kindersley, “
Kamsack, Saskatchewan.	
Redvers, “	Carmangay, Alberta.
Moosomin, “	Vulcan, “
Broadview, “	Munson, “

It is represented to the Minister that in view of the phenomenal crop of last season and of the good prices prevailing, and also of the strong demand existing for these lands, that the sales should realize excellent prices.

As the Minister concurs in this view, and as he is of the opinion that it would be in the interests of the Educational Endowment Funds of the three provinces mentioned to place some of the School Lands on the market, as no general sales have been held for the past three years, he recommends that he be authorized to have auction sales of School Lands held at the points before mentioned at dates to be determined later, but which would probably begin in the early part of June, the sales to be subject to the provisions of The Dominion Lands Act relating to sales of School Lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

And whereas the adjustment of this northwest boundary has now been arranged satisfactorily with the Department of Indian Affairs, and plan and description of the reserve have been prepared ;

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 5th February, 1916, from the Minister of the Interior, submitting that an application has been made to the Department of the Interior by Mr. Henry Toke Munn on behalf of the Arctic Gold Exploration Syndicate, Limited, whose head office is in Toronto, Ontario, to purchase a parcel of unsurveyed land situate on Bylot Island, in Baffin Bay, in the Arctic Seas, in the Dominion of Canada, in approximate north latitude of 72° 53', approximate west longitude of 76° 15', situate at the junction of a creek flowing into Button Harbour with the south shore of the said Island and about three-quarters of a mile east of the point of land known as Button Point, and which may be more particularly described as follows :—

Beginning at the intersection of the right bank of the said creek with the said south shore of the said Island, thence in a northerly direction, following the said right bank of the said creek to a point in a line drawn due east from a point distant fourteen chains and fourteen links due north, from the said intersection of the said bank of the creek with the said shore line, thence due west a distance of fourteen chains and fourteen links, thence due south to intersection with the said south shore of the said Island, thence in an easterly direction, following the said south shore to the place of commencement, and containing by admeasurement twenty acres more or less, and as shown outlined in pink on the sketch hereto attached.

The Minister is of the opinion—the parcel of land applied for being available for the purpose, according to the records of the Department of the Interior—that the application should be favourably considered, and he therefore, recommends that the land above described be sold to the said company at the rate of \$1.00 an acre, and that upon payment therefor being remitted to the Department of the Interior, letters patent for the said land be issued to the Arctic Gold Exploration Syndicate, Limited, subject, however, to such letters patent containing, in addition to the usual reservations and provisos in letters patent for grants of Dominion Lands, a proviso to the effect that the Surveyor General of Dominion Lands may, at any time, cause a survey to be made of the lands granted and that his decision as to the location of the grant and of its boundaries and the extent of the grant shall be final, whether it does or does not agree with the description in the letters patent.

The Committee concur in the foregoing recommendation and submit the same for approval.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior stating that conflicting claims have been made with respect to the southwest quarter of Section ten (10), Township twenty (20), Range two (2), west of the Fifth (5th) Meridian, by Elizabeth Fisher, as administratrix of the late Joseph Fisher, rancher, of Millarsville, in the Province of

Alberta, and Robert James Price, farmer, of Black Diamond, in the same Province.

The Minister reports as follows in reference thereto. viz :—

The land in dispute is claimed by the Fisher estate under a sale to Joseph Fisher by authority of an Order in Council, dated 21st May, 1908. The land was sold at the rate of \$3.00 per acre, subject to a rebate representing the cost of certain irrigation works to be constructed thereon and upon adjacent lands and formed part of a tract of two thousand acres sold to the late Joseph Fisher at the same rate and subject to the same conditions. The land has been paid for in full and the conditions of the sale have been fulfilled.

Robert J. Price claims the said quarter section under homestead entry dated 18th May, 1906, which entry was cancelled on the 14th November, 1907, but was reinstated on the 27th October, 1911. Mr. Price has been in continuous residence on the land since about the date of his original entry and has placed valuable improvements thereon in the shape of buildings, fences, wells, breaking, clearing and cultivation. Mr. Fisher constructed an irrigation ditch across the quarter section as part of his irrigation project, but has not otherwise occupied or improved the land.

When the land was sold to Joseph Fisher in May, 1908, Mr Price's homestead entry had been cancelled and the land was at that time available for the purpose of the sale, notwithstanding the fact that Mr. Price was still in residence on the land and that he had refused to remove therefrom.

It subsequently became apparent that Mr. Price's claim to the land had not been given sufficient consideration at the time his entry was cancelled and his rights were accordingly recognized by the reinstatement of his entry in October, 1911. In the meantime, however, the land had been legally sold to Mr. Fisher and paid for by him, so that the tardy recognition of Mr. Price's claim was unjust to Mr. Fisher whose irrigation project was thus made less valuable, and, further, because control of the ditches which crossed the southwest quarter of the said section ten was essential to the irrigation of other portions of his irrigation project.

Repeated efforts have been made to reconcile these conflicting claims, but, until very recently, without success. An arrangement has, however, now been made whereby Mrs. Fisher agrees to relinquish all claim to the land upon certain conditions which it is within the power of the Minister to grant and which are considered reasonable, and the further condition that she be granted another quarter section of land in lieu of the one relinquished.

The Minister, therefore, recommends that he be authorized to permit Mrs. Elizabeth Fisher, as administratrix of the estate of the late Joseph Fisher, to select, free of all cost, another quarter section of land of the class available for homestead or pre-emption entry, in consideration of her relinquishment of all claim as such administratrix to said southwest quarter of Section ten, Township twenty, Range two, west of the First Meridian, such selection to be made within one year from this date.

The Committee concur in the above recommendation and submit the same for approval.

Clerk of the Privy Council.

## AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 28th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior, stating that on the 5th day of August, 1907, homestead entry for the northwest quarter of Section 8, Township 61, Range 26, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, was granted to James Chisholm, who subsequently, on the 18th November, 1908, executed a

lien for \$309.95 in favour of the Canadian Pacific Railway Company, covering an advance of that amount to Mr. Chisholm and which was recorded against the land.

That the homesteader, James Chisholm, having failed to proceed with the necessary homestead duties, and application for the cancellation of the entry having been made, in default of a defence, the entry was cancelled and a new entry granted on the 29th July, 1911 to one James Rimmer, which entry still stands.

That the entry to James Rimmer was granted inadvertently and in error as under the provisions of The Dominion Lands Act the lienholder (The Canadian Pacific Railway Company) was entitled to a patent for the land subject to placing thereon another bona fide settler and failing to secure such patent for the quarter in question are entitled to another quarter section in lieu thereof.

That the company has selected the northwest quarter of Section 14, Township 9, Range 30, west of the 2nd Meridian, in the Province of Saskatchewan, containing 159 acres, which it required for the Assiniboia Water Supply and which is available for the purpose, having been abandoned, upon payment of \$1,000 in favour of the Railway Company by one Carl Mollberg who held entry therefore as a pre-emption.

The Minister further states that both the quarter-sections referred to have been inspected and valued by officers of the Department of the Interior, the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian, at \$10.00 an acre, and the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 20, west of the 2nd Meridian, at \$25.00 an acre, that the Canadian Pacific Railway Company has remitted to the Department the sum of \$1,375.00 being the difference in the value thereof less the amount of \$1,000 paid by the company to the former entrant of the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, and has also discharged the lien registered against the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian.

The Minister recommends that this exchange be confirmed under section 76 of The Dominion Lands Act and that letters patent be issued in favour of the Canadian Pacific Railway Company for the said N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, in lieu of the said N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 28, west of the 4th Meridian, to which the company was entitled as statutory lienholders.

The Committee concur in the foregoing recommendation and submit the same for approval.

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 3rd February, 1916, from the Minister of the Interior, stating that representations have been made to the Department of the Interior that Muskiki Lake, situated in Township 39, Ranges 26 and 27, west of the 2nd Meridian, in the Province of Saskatchewan, contains certain springs from which sulphate of magnesia (Epsom Salts) rises in solution ; that the waters of the lake have become impregnated with this salt ; and that it has been precipitated in the form of crystals in the bed of the lake.

That application has been submitted by J. O. Carss, LL.B., Barrister of Ottawa, on behalf of a company which is being organized, for permission to acquire under lease for a term of years the right to the sulphate of magnesia in the bed of this lake, which contains an area of about eight square miles, and the applicant states that in case his application is favourably considered, a plant for the utilization of this product will be established, capable of producing for shipment from fifty to one hundred cars of the product during the first year.

That the reports on file in the Department of the Interior appear to indicate that the lake is very shallow ;

that it is situated in a hollow, with gently sloping sides ; that it is more than one hundred feet below the general level of the country ; that as it has no outlet, it is not capable of being drained ; and that as the waters of the lake hold in solution large quantities of mineral salts, the water cannot be used for domestic, irrigation or steam purposes, and is therefore worthless as water.

That an analysis made by Dr. F. T. Shutt, Dominion Chemist, of several samples of water taken from this lake, shows that it contains from 3.99 per cent. to 6.35 per cent. of magnesia, the mineral for which application has now been made.

That it would appear from the reports received that this lake does not contain large quantities of the mineral applied for, that owing to the fact that sulphate of magnesia is one of the cheapest of the salts, its extraction could only be undertaken with any hope of commercial success over a very much larger area than contained in an ordinary mineral claim ; and as the waters and bed of the lake appear to be of no other value, the Minister recommends that he be authorized to issue a lease in favour of the applicant of such rights as the Crown may possess to the sulphate of magnesia deposits over the area covered by the waters of this lake, subject, however, to the following special terms and conditions :—

1. The term of the lease to be five years, subject to renewal for further terms of five years each, provided the conditions of the lease have been fully complied with.

2 The rental to be at the rate of 10 cents an acre per annum, payable yearly in advance.

3 The lease to be subject to such rights as may be granted to the waters of the lake.

4. The lessee to instal within one year from the date of the lease machinery and plant to the value of at least \$5,000 necessary for winning, collecting and refining the deposits of sulphate of magnesia claimed to exist, and to furnish evidence to the satisfaction of the Minister of the Interior of the installation of such machinery and plant within the same period.

5. That the lessee shall at the end of the second and each succeeding year of the term of the lease furnish evidence to show that he has expended the sum of at least \$2,500 during the year in actual operations, with a view to acquiring and treating the salt covered by the lease, and in case active operations on the location for this purpose are at any time suspended for a period of six months, the lease shall be subject to immediate cancellation in the discretion of the Minister of the Interior.

6. Failure to comply with any of the conditions set out in the lease which may be issued shall render that instrument subject to immediate cancellation in the discretion of the Minister.

The Committee concur in the foregoing recommendation and submit the same for approval.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th February, 1916, from the Minister of the Interior, submitting that William Creighton was permitted to locate South African Volunteer Bounty Scrip upon the east  $\frac{1}{2}$  of Section 23, Township 75, Range 15, west of the 5th Meridian, on the 26th June, 1911;

It would appear from evidence furnished that Mr. Creighton has performed the necessary residence duties with the exception of a term of three months and that he has made improvements consisting of thirty acres of cultivation, house, stable,  $2\frac{3}{4}$  miles of fencing and a well;

The Minister submits the annexed copies of medical certificates from J. F. Brander, M.D., and M. E. Hall, M.D., stating that Mr. Creighton is suffering from a progressive disease of both eyes and also chest trouble,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in this case, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Creighton for the half section above described, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 11th day of March, 1916.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS His Majesty's Government, holding that such action was essential to the defence and protection of the realm, passed an Order in Council on the 10th November, 1915, prohibiting British registered steamships exceeding 500 tons gross tonnage from engaging in voyages from one foreign port to another foreign port, as from the first day of December, 1915, unless the owners or charterers of such steamships had been granted a license to so trade;

And whereas the aforesaid Order in Council authorized and directed the President of the Board of Trade to appoint persons to carry out and give effect to the provisions of the Order and to grant licenses where and when desirable;

And whereas the said Order in Council of the 10th November, 1915, was supplemented by an Order in Council of the 15th February, 1916, prohibiting British registered steamships in excess of 500 tons gross tonnage, except those engaged in the coasting trade of the United Kingdom, from proceeding on any voyage unless a license as provided for by the Order in Council of the 10th November, 1915, has issued;

And whereas it is deemed desirable that, in the circumstances, Canadian registered steamers should not engage in voyages from one foreign port to another foreign port or from a port in Canada to a port in a foreign country and *vice versa*, except voyages from a port in Canada to a port in the United States of America and *vice versa*, without the knowledge or consent of the Government,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered as follows:—

(a) All Canadian registered steamers whose gross tonnage exceeds 500 tons are, as from the first day of April, 1916, prohibited from proceeding on any voyage excepting voyages from a port in Canada to another port in Canada and from a port in Canada to a port in the United States and *vice versa*, unless a license to do so has been granted to or in favour of the owners or charterers of such steamships;

(b) The Minister of Marine and Fisheries is hereby authorized and directed to appoint a Committee of persons that shall have power to grant the licenses required by the next preceding paragraph, which may be general in reference to classes of ships or their voyages, or special;

(c) The Minister of Marine and Fisheries is authorized from time to time, should necessity appear therefor, to add other persons as members of such Committee and to substitute as members thereof, other persons for such members as may from time to time die, resign or become incapable of acting thereon.

His Royal Highness the Governor General in Council under and in virtue of the provisions of section 8 of The War Measures Act, 1914, is further pleased to order and it is hereby ordered that all steamships failing or refusing to obtain a license as provided in the preceding sections hereof shall be subject to forfeiture.

38-2 Deputy Postmaster General.

#### CIVIL SERVICE EXAMINATIONS.

PUBLIC Notice is hereby given that general competitive examinations, under the direction of the Civil Service Commission of Canada, will be held during the week beginning the 8th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Moosejaw, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault Ste. Marie, London, Hamilton, Toronto, Kingston, Ottawa, Montreal, Sherbrooke, Quebec, Fredericton, St. John, Moncton, Charlottetown, Yarmouth, Halifax and Sydney. Examinations may also be held at other centres, provided a sufficient number of candidates make application to write at any one place.

The examinations will have reference to the following permanent positions in the Inside Division of the Civil Service of Canada, which will require to be filled during the fiscal year 1916-1917, and the Commissioners take this opportunity of announcing that, from present indications, it is not probable that the requirements of the public service will render necessary another examination in the month of November next.

Persons desiring to qualify for appointment to the Inside Service should make a note of this fact, and present themselves, if possible, at the May examinations.

30 clerkships (for men) in Subdivision B of the Third Division. In the case of five of these clerkships, preference will be given to men who possess a knowledge of stenography.

20 clerkships (for women) in Subdivision B of the Third Division. Sixteen of these clerks are required to be appointed to the Census staff, and preference will accordingly be given to those who have had previous training and experience on that staff.

30 positions as stenographers and typists (for women) in Subdivision B of the Third Division.

15 clerkships (for men) in Subdivision B of the Second Division.

The initial salary for clerks and stenographers in Subdivision B of the Third Division is \$500, and in Subdivision B of the Second Division \$800, but in case the qualifications required for the performance of the duties of a position are of an exceptional character, a further sum, not to exceed \$300 in the Third Division or \$500 in the Second Division, may be added to the initial salary by the Governor in Council.

A general examination for positions as messenger, porter, packer or sorter in the lower grade of the Inside Service, will be held at the same time and places as the above examination for clerkships.

It is also announced that a staff of fifty temporary female clerks will be required on or about the 15th June next for the compilation of the Census returns of the North West. These temporary clerks may be employed on the Census staff for any period not exceeding three years. They will be paid an initial salary of \$500 per annum, and will be eligible for an annual statutory increase of \$50. It should be understood, however, that they are not entitled by reason of service in the compilation of the census to any further employment. The temporary clerks required for the Census staff will be selected from the list in order of merit, of candidates at the regular examination for Third Division clerkships who have not obtained a sufficiently high standing on the list to be declared eligible for permanent appointment.

Persons desiring to present themselves for any of the above examinations may obtain all necessary information, copies of the rules and regulations, and forms of application, from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Application forms of intending candidates, duly filled in and accompanied by the prescribed fee in each case (viz: \$4.00 for Third Division, \$8.00 for Second Division, and \$2.00 for lower grade), must be filed with the Civil Service Commission on or before the 15th day of April next. No exception can or will be made to this rule.

By order of the Commission,

WM. FORAN,  
Secretary.

Ottawa, 9th March, 1916.

## QUEBEC.

## (44) Gulf of St. Lawrence—Dates for closing down lights.

In the preface to the List of Lights and Fog Signals on the Atlantic Coast of Canada, it is stated that lights are maintained in operation whenever navigation in the vicinity is open.

This statement is hereby qualified, by adding, after the clause referring to lightships in the river St. Lawrence, the following :—

Past experience shows that the average date for placing the lightships in the spring is April 20, and for their removal in the autumn Nov. 28.

As it is impossible to communicate with many isolated stations in the Gulf of St. Lawrence late in the autumn, navigation in the river and gulf will be declared closed on Dec. 23, and the lights will be extinguished after the night of Dec. 22. If for any exceptional reason it is found desirable to extend this date, arrangements can be made through the Agency of the Department at Quebec for notifying such stations as can be reached by telegraph or telephone service. The most remote and some island stations cannot be reached.

The lights on Brion island and Bird rocks are kept in operation till Dec. 31.

The lights at Cape Ray and Cape Anguille, Newfoundland, are kept in operation till Jan. 31.

## (46) Signalling and Signalling Lamps—Regulations and requirements for British ships.

The Marine Department, Board of Trade, London, England, has published the following regulations relating to signalling and signalling lamps :—

“Under Regulation 37 of the Regulations made under the Defence of the Realm Act, British vessels are required to comply with any orders given, whether by signal or otherwise, by any officer in command of any of His Majesty's Ships, or by any Naval or Military Officer engaged in the Defence of the Coast.

Under Regulation 37a, which comes into force on the 1st March, 1916, British ships of 500 tons or upwards, must be provided before going to sea with suitable hand flags for signalling by the Semaphore code, and with an efficient flash lamp for signalling by the Morse code. The lamp shall be of such power and size that the signals made with it are distinctly visible at a distance of three miles on a dark night in clear weather. In view of these requirements, and the penalties for non-compliance, all such ships should be provided with the necessary lamp and flags, and there should be an officer or seaman on board competent to receive and transmit signals both in the Morse and in the Semaphore code.

Further information as to the character of the signalling lamp with which ships should be provided, and as to the importance of an adequate knowledge of signalling on the part of officers of merchant ships and the standard of proficiency required from candidates for certificates, is contained in Handbill 367 and Instructions to Surveyors, Circular 1569."

## NORTH ATLANTIC OCEAN.

## (52) Trans-Atlantic steamship routes—Ice patrol service.

For the purpose of carrying on the ice observations and ice patrol service provided for by the International Convention for the Safety of Life at Sea, London, 1913-14, the U. S. C. G.

C. *Seneca* will leave New York about February 15, 1916, and proceed to the Grand Banks of Newfoundland, locate the ice fields and icebergs, make such observations as practicable on the quantity of ice, its kind, extent and drift, and obtain any other information that may seem to be of value.

The object of the patrol is primarily to ascertain the location and progressive movement of the limiting lines of the regions in which icebergs and field ice exist in the vicinity of the Grand Banks of Newfoundland and to disseminate this

information for the guidance and warning of navigators. Coordinately with these primary duties the *Seneca* will make such oceanographical and meteorological observations as will contribute toward a knowledge of the causes why the limiting lines assume their observed locations.

During the period of ice observations the *Seneca* will be the only vessel employed on this duty; but when the ice has moved southward so as to make a constant patrol necessary an additional vessel will be detailed for that purpose.

The experience of previous years has shown that a continuous ice patrol should be established about April 1, and continued throughout the season of dangerous ice conditions.

Upon getting in touch with the ice the *Seneca* will send a report daily to the U. S. Branch Hydrographic Office, New York City, at 4 a.m., 75th meridian time, addressed "Hydrographic, New York." An endeavour will be made to communicate direct with coast radio stations, but should the *Seneca* be unable to communicate with any of these stations, the message will be relayed through any vessel within reach.

The ice information will be given in as plain and concise English as practicable and will state the following:

- (a) Ice (berg or field).
- (b) Date.
- (c) Time (75th meridian).
- (d) Latitude.
- (e) Longitude.
- (f) Other data as may be necessary.

While on this duty the patrol vessel will endeavour by means of daily radio messages to keep vessels at sea advised of the limits of the ice fields, etc.

The *Seneca's* call letters are NRE and she uses wave lengths of 300, 600, 750 and 1,000 metres.

The radio messages from the patrol vessels will be given publicity immediately upon their receipt by the U. S. Branch Hydrographic Office, New York, and by the U. S. Hydrographic Office, Washington, D. C.

##### SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

*As Revised and brought in force 22nd March, 1906*

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.  
(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

A LA COUR AU PALAIS DE BUCKINGHAM,  
LE 27<sup>E</sup> JOUR DE JANVIER 1916.

PRÉSENT :

SA TRÈS EXCELLENTE MAJESTÉ LE ROI  
EN CONSEIL.

ATTENDU que par l'arrêté dit " Aliens Restriction (Consolidation) Order, 1914," (désigné au présent comme l'arrêté principal), l'arrêté dit " Aliens Restriction (Belgium Refugees) Order, 1914," l'arrêté dit " Aliens Restriction (Amendment) Order, 1915," et autres arrêtés en conseil, il a plu à Sa Majesté d'imposer des restrictions sur les aubains et d'établir divers règlements pour mettre ces restrictions en vigueur ;

Et attendu qu'il est opportun de modifier et d'étendre les dispositions de ces arrêtés de la manière qui suit,—

En conséquence, il plaît à Sa Majesté, par et avec l'avis de Son Conseil privé d'ordonner et il est par le présent ordonné comme suit,—

*Extension de l'article 19 de l'arrêté principal.*

1. A compter du quatorzième jour de février mil neuf cent seize, l'article 19 de l'arrêté principal (qui impose certaines obligations au sujet de l'enregistrement des aubains résidant dans les territoires prohibés)

s'étendra de manière à imposer les mêmes obligations au sujet des aubains résidant à un endroit quelconque, et en conséquence cet article sera exécutoire comme si les mots "résidant dans un territoire prohibé et un étranger ennemi" étaient omis du dit article.

Sauf que—

(a) Un Secrétaire d'Etat peut ordonner que dans tout territoire mentionné dans le dit article, tel que modifié par le présent article, il ne s'appliquera pas au sujet de ce territoire aux aubains amis résidant dans ce territoire à la date de l'entrée en vigueur du présent article; et

(b) le dit article, tel que modifié par le présent article, ne s'appliquera pas dans le cas des réfugiés belges.

*Restrictions additionnelles imposées sur les aubains au sujet des territoires prohibés.*

2. L'article suivant, à compter de la date fixée ci-après, sera substitué à l'article 2 de l'arrêté dit "Aliens Restriction (Amendment) Order, 1915":—

(1) A compter de la date qui pourra être fixée par ordre d'un Secrétaire d'Etat, un aubain, sans une permission spéciale du préposé à l'enregistrement, ne pourra entrer ou se trouver dans un territoire prohibé quelconque à moins qu'il ne soit en possession d'un carnet d'identité obtenu en conformité du présent arrêté et dûment rempli et attesté:

Sauf que—

(a) lorsqu'un aubain, à la date du présent arrêté, réside et est dûment enregistré dans un territoire prohibé, la présente disposition ne s'appliquera pas à lui tant qu'il y résidera.

(b) Un Secrétaire d'Etat peut exempter des dispositions du présent article toute classe d'aubains, lorsqu'il lui est démontré qu'on a pris des moyens suffisants pour établir leur identification autres que la possession d'un carnet d'identité; et

(c) Un aubain venant d'un endroit quelconque hors du Royaume-Uni et débarquant dans le Royaume-Uni sans un carnet d'identité peut avoir la permission, subordonnée aux dispositions de l'arrêté principal, de se rendre à sa destination dans le Royaume-Uni si le passeport ou autre document qu'il est obligé d'avoir en sa possession en débarquant dans le Royaume-Uni contient, ou s'il fournit les détails contenus dans l'annexe du présent arrêté que peut exiger un officier des aubains; mais tout tel aubain se rendra directement à sa destination, et en y arrivant il devra, dans les vingt-quatre heures, se conformer à toutes les dispositions de l'arrêté principal, tel que modifiées par tout arrêté subséquent, y compris le présent arrêté, qui lui sont applicables; et

(d) le présent article ne s'appliquera pas à un aubain qui entre en territoire prohibé ou s'y trouve dans le seul but de s'embarquer immédiatement à un port de ce territoire prohibé; et

(e) le présent article ne s'appliquera pas à un aubain qui semble avoir moins de dix-huit ans et qui est sous les soins de quelque autre personne dépassant cet âge.

Si un aubain, lorsqu'il en sera requis par un officier quelconque ou par tout soldat ou matelot placé en sentinelle ou faisant la patrouille ou autre semblable devoir, ou par tout officier des aubains ou sergent de ville, néglige de produire son carnet d'identité à une époque quelconque lorsqu'il doit l'avoir en sa possession en vertu du présent article, il peut être détenu, sans préjudice à toute autre peine, en attendant que des enquêtes soient faites au sujet de son identité, et tant qu'il sera ainsi détenu il sera censé être emprisonné.

(2) Subordonnée aux instructions spéciales ou générales d'un Secrétaire d'Etat, tout aubain qui, après que le présent article sera en vigueur, est entré en territoire prohibé dans lequel il ne résidait pas à la date du présent arrêté, peut être sommé, par le préposé à l'enregistrement pour ce territoire, de quitter le territoire immédiatement et de n'y pas retourner subséquemment sans sa permission spéciale; tout tel ordre sera entré dans le carnet d'identité de l'aubain, et l'aubain devra se conformer à cet ordre.

(3) Lorsque toute telle permission spéciale d'un préposé à l'enregistrement, comme susdit, a été accordée subordonnée à des conditions quelconques et que la personne à qui elle a été accordée néglige de se conformer à toutes telles conditions, elle sera censée coupable d'une contravention à l'arrêté principal.

(4) Le présent article sera exécutoire comme s'il était inclus dans la Partie II de l'arrêté principal, et cet arrêté sera exécutoire en conséquence.

*Carnets d'identité.*

3. Le carnet d'identité sera conforme à la formule décrite dans l'annexe du présent arrêté, et les dispositions contenues dans cette annexe seront exécutoires relativement aux carnets d'identité.

Si une personne quelconque se sert, pour les fins du présent arrêté, d'un carnet d'identité où il s'agit de toute personne autre que d'elle-même, ou en inscrivant les détails contenus dans le carnet d'identité ou dans le but d'obtenir un carnet d'identité fait quelque fausse déclaration ou fausse représentation, elle sera censée avoir agi en contravention à l'arrêté principal.

*Devoirs des hôteliers, etc.*

4. (1) L'article trois de l'arrêté dit "Aliens Restriction (Amendment) Order, 1915," sera exécutoire comme si les dispositions suivantes étaient substituées aux alinéas (1) à (4) inclusivement du dit arrêté:

3. (1) Le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra tenir un registre de toutes les personnes de plus de quatorze ans demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, qui sont des aubains.

Le propriétaire de tout tel hôtel, auberge, maison de pension ou hôtel garni devra, le plus tôt possible après que toute telle personne vient demeurer à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, inscrire son nom et sa nationalité dans le registre, ainsi que la date de son arrivée; et au départ de toute telle personne il devra, le plus tôt possible, inscrire la date de son départ et sa destination à son départ dans le registre, et il inscrira aussi dans le registre, de temps à autre, les autres détails qui pourront être prescrits par un Secrétaire d'Etat, et si le propriétaire d'un hôtel, d'une auberge, d'une maison de pension ou d'un hôtel garni néglige de se conformer à l'une quelconque des dispositions ci-dessus du présent article, ou s'il fait une entrée quelconque dans tout tel registre qu'il sait être fausse ou dont il aurait pu s'assurer de la fausseté en y apportant une diligence raisonnable, il sera censé coupable de contravention à l'arrêté principal.

(2) Le propriétaire de chaque hôtel, auberge, maison de pension ou hôtel garni devra également, si des instructions à cet effet sont données par un Secrétaire d'Etat, faire les rapports au préposé à l'enregistrement du district d'enregistrement dans lequel est situé l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, au sujet des personnes demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni, aux époques ou intervalles et en la manière indiquée dans ces instructions, et s'il néglige de les faire ou s'il fait quelque rapport faux, il sera censé coupable de contravention à l'arrêté principal.

(3) Le propriétaire de chaque hôtel, auberge, maison de pension et hôtel garni devra—

(a) dans le but de s'assurer si une personne quelconque demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni est ou n'est pas un aubain, exiger que chaque personne (que ce soit un aubain ou non) qui demeure à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni lui fournisse, selon la formule que pourra prescrire un Secrétaire d'Etat, les détails contenus dans cette formule; et

(b) chaque personne (que ce soit un aubain ou non) devra fournir ces dits détails lorsqu'elle en sera requise.

Si le propriétaire de tout hôtel, auberge, maison de pension ou hôtel garni néglige d'exiger de toute personne demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni qu'elle lui fournisse ces renseignements comme susdit, il sera censé coupable de contravention à l'arrêté principal; et si une per-

sonne quelconque demeurant à l'hôtel, l'auberge, la maison de pension ou l'hôtel garni néglige de fournir quelque renseignement lorsqu'elle en sera requise ou donne de faux renseignements, elle sera censée coupable de contravention à l'arrêté principal.

(4) Chaque registre tenu sous l'empire du présent article, et tous les détails fournis sous l'empire du présent article seront soumis, à toutes heures raisonnables, à l'inspection de tout officier de police ou de toute personne autorisée par un Secrétaire d'Etat.

(2) Dans l'application de l'article (3) de l'arrêté dit "Alien Restriction (Amendment) Order, 1915," tel que modifié par le présent arrêté, aux hôtels ou autres maisons de pension dans lesquelles des réfugiés belges sont logés, le gérant ou le secrétaire, ou toute autre personne chargée de l'administration de l'hôtel ou de la maison de pension, sera censée en être le propriétaire, qu'elle soit payée ou non.

*Titre abrégé.*

5. Le présent arrêté pourra être désigné "Aliens Restriction (Amendment) Order, 1916."

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

ATTENDU que le Gouvernement de Sa Majesté, considérant que la défense et la protection du royaume exigeaient telle mesure, a décrété par un arrêté en conseil daté le 10 novembre 1915 que dès et après le 1er décembre 1915 il serait défendu aux navires à vapeur d'un tonnage brut de plus de 500 tonnes, enregistrés dans le Royaume-Uni, de transporter des cargaisons d'un port étranger quelconque à un autre port étranger, à moins que l'armateur ou l'affréteur n'ait obtenu un permis à cet effet ;

Et attendu que l'arrêté en conseil ci-dessus mentionné autorisait le président du Board of Trade à nommer certaines personnes pour l'exécution et la mise en vigueur des dispositions de cet arrêté, et lui enjoignait de ce faire où et quand il sera opportun ;

Et attendu qu'en supplément au dit arrêté en conseil du 10 novembre 1915, un arrêté en conseil du 15 février 1916, défendait à tout navire britannique enregistré d'un tonnage brut de plus de 500 tonnes, sauf les navires qui font le cabotage dans le Royaume-Uni, d'entreprendre un voyage quelconque à moins qu'un permis à cet effet n'ait été accordé ;

Et attendu que sont enregistrés au Canada plus de 300 navires d'un tonnage brut de plus de 500 tonnes, et que ces navires, ou un certain nombre, peuvent sans intervention entreprendre des voyages entre un port étranger et un autre port étranger, ou entre un port du Canada et un port étranger ou *vice-versa* ;

Et attendu que dans les circonstances il est jugé opportun que les navires enregistrés au Canada n'entreprennent pas de voyages d'un port étranger à un autre port étranger, ou d'un port en Canada à un port étranger ou *vice-versa*, excepté des voyages d'un port du Canada à un port des Etats-Unis d'Amérique et *vice-versa*, sauf au su et du consentement du Gouvernement,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter par ces présentes ce qui suit :

(a) Du premier jour d'avril 1916 il est défendu à tous les navires à vapeur d'un tonnage brut de plus de 500 tonnes, enregistrés au Canada, d'entreprendre de voyage quelconque, sauf entre un port du Canada et un autre port en Canada, et entre un port en Canada et un port aux Etats-Unis, à moins que pour ces fins n'ait été accordé un permis aux armateurs ou affréteurs de ces navires.

(b) Le Ministre de la Marine et des Pêcheries est par ces présentes autorisé à nommer, et il lui est ordonné de nommer un comité de personnes qui pourront accorder les permis prescrits aux paragraphes précédents, soit permis généraux quant à la classe des navires ou quant à leurs voyages, soit permis spéciaux.

(c) Le Ministre de la Marine et des Pêcheries est autorisé à nommer de temps à autre, s'il est nécessaire, d'autres membres à ce comité, ou de substituer d'autres personnes en qualité de membres du comité à tous membres du dit comité qui décèderaient, démissionneraient ou deviendraient incapables de faire partie du comité.

Il plaît de plus à Son Altesse Royale le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de l'article 8 de la *Loi des mesures de guerre, 1914*, de décréter et il est par ces présentes décrété que tous navires à vapeur qui négligent ou refusent de se munir d'un permis ainsi que prescrit aux présents articles est sujet à confiscation.

**I**L plaît à Son Altesse Royale le Gouverneur général en conseil, en vertu des dispositions des articles 6 et 10 de la *Loi des mesures de guerre, 1914*, de décréter par ces présentes ce qui suit dans le but d'appliquer les restrictions relatives au trafic avec l'ennemi aux personnes auxquelles, bien qu'elles ne résident pas en territoire ennemi, ou n'y exercent aucune industrie, il est opportun d'appliquer ces restrictions à cause de leur nationalité ennemie ou de leurs relations avec l'ennemi, et il est ainsi décrété aux dites fins :—

1. A toutes personnes ou sociétés constituées en corporation ou non, résidant au Canada, ou y exerçant une industrie, ou se trouvant au Canada, il est par ces présentes défendu de trafiquer avec des personnes ou des sociétés constituées en corporation ou non ne résidant pas ou n'exerçant pas d'industrie en territoire ennemi ou qui est occupé par l'ennemi, autres que les personnes ou sociétés résidant ou exerçant leur industrie dans les seules limites des possessions de Sa Majesté, car en raison de la nationalité ennemie de ces personnes ou des relations des dites personnes ou sociétés avec l'ennemi il semble opportun à Son Altesse Royale le Gouverneur général en conseil de désigner de temps à autre, par proclamation, les personnes ou sociétés avec lesquelles, en vertu des présents ordres et règlements, il est défendu de trafiquer.

4. ### SON ALTESSE ROYALE LE GOUVERNEUR GENERAL EN CONSEIL.

**A**U Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 21 février 1916, représentant que des réclamations contradictoires ont été faites en rapport avec le quart sud-ouest de la section 10, township 20, rang 2, à l'ouest du 5e méridien, par Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, éleveur, de Millarsville, dans la province d'Alberta, et Robert James Price, cultivateur, de Black Diamond, dans la même province.

Le Ministre fait le rapport suivant quant à cette question, savoir :

Le terrain en litige est réclamé par la succession Fisher en raison d'une vente à Joseph Fisher autorisée par un arrêté en conseil daté le 21 mai 1908. Le terrain a été vendu au prix de \$3.00 l'acre, sujet à un rabais représentant le coût de certains travaux d'irrigation qui devaient être faits sur ces terres et sur les terres adjacentes. Ce terrain faisait partie des 2,000 acres vendus à feu Joseph Fisher au même prix et aux mêmes conditions. Le terrain a été entièrement payé et les conditions de la vente remplies.

Robert J. Price réclame le dit quart de section en vertu d'une inscription de homestead datée le 18 mai 1906, qui a été annulée le 14 novembre 1907, mais rétablie le 27 octobre 1911. M. Price a résidé continuellement sur le terrain depuis la date de sa première inscription et y a fait des améliorations importantes sous forme de bâtiments, clôtures, puits, défoncement, défrichement et culture. M. Fisher a creusé un canal d'irrigation traversant le quart de section en rapport avec son projet d'irrigation, mais n'a pas autrement occupé ou amélioré le terrain.

Lorsque le terrain a été vendu à Joseph Fisher, en mai 1908, l'inscription de homestead de M. Price avait été annulée et le terrain était alors disponible pour la vente, nonobstant le fait que M. Price y résidait encore et refusait de s'en départir.

On constata subséquemment que considération suffisante n'avait pas été donnée au titre de M. Price à ce terrain lorsque son inscription fut annulée, et, par conséquent, ses droits furent reconnus par le renouvellement de son inscription en octobre 1911. Dans l'entretemps, cependant, le terrain avait été légalement vendu à M. Fisher, qui en avait payé le prix, de sorte que la reconnaissance tardive des droits de M. Price était injuste pour M. Fisher dont le système d'irrigation subissait ainsi une dépréciation, et de plus parce que le contrôle des canaux d'irrigation qui traversaient le quart sud-ouest de la dite section dix étaient essentiels à l'irrigation d'autres parties de son système.

Des efforts répétés ont été faites pour réconcilier ces réclamations contradictoires, mais sans succès jusqu'à tout récemment. Toutefois, un arrangement a été effectué par lequel Madame Fisher consent à renoncer à tout titre au terrain à certaines conditions qu'il est du domaine du Ministre d'accorder et qui sont jugées raisonnables, et à condition de plus qu'il lui soit concédé un autre quart de section en remplacement de celui auquel elle renonce.

Par conséquent, le Ministre demande l'autorisation de permettre à Madame Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, de choisir, libre de toute charge, un autre quart de section disponible pour l'inscription de homestead ou de préemption en considération de sa renonciation à tout droit au dit quart sud-ouest de la section 10, township 20, rang 2, à l'ouest 5e méridien, le choix du terrain devant être fait dans le délai d'un an de cette date.

Le comité agréé cette demande et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21 février 1916, représentant que le 5 août 1907 l'inscription de homestead pour le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, a été accordée à James Chisholm, qui, subséquemment, le 18 novembre 1908, a donné une hypothèque pour \$309.95 à la Compagnie de chemin de fer Pacifique Canadien, couvrant une avance de ce montant faite à M. Chisholm et qui devint une charge sur le terrain ;

Le homesteader, James Chisholm, ayant négligé de remplir les obligations de homestead, et l'annulation de l'inscription ayant été demandée, la dite inscription a été annulée à défaut de défense et une nouvelle inscription a été accordée le 29 juillet 1911 à un certain James Rimmer, laquelle inscription prime encore ;

L'inscription à James Rimmer lui a été accordée par inadvertance et erronément, car d'après les dispositions de la *Loi des terres fédérales* le détenteur de l'hypothèque (la Compagnie du chemin de fer Pacifique Canadien) avait droit à la patente du terrain en y plaçant un autre colon, et si la patente pour le quart de section en question ne peut être accordée, la compagnie a droit à un autre quart de section ;

La compagnie a choisi le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, dans la province de la Saskatchewan, contenant 159 acres, qui lui était nécessaire pour l'approvisionnement d'eau d'Assiniboia et qui est disponible à cette fin, ce terrain ayant été cédé à la compagnie, sur paiement de la somme de \$1,000, par un certain Carl Mollberg qui en avait obtenu l'inscription en préemption ;

Le Ministre ajoute que les deux quarts de section ci-dessus mentionnés ont été inspectés et évalués par des fonctionnaires du Département de l'Intérieur, le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, \$10 l'acre, et le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, à \$25 l'acre. La Compagnie de chemin de fer Pacifique Canadien a remis au Département la somme de \$1,375.00, soit la différence dans la valeur de ces terrains, moins la somme de \$1,000 payée par la compagnie au premier inscrit pour le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, et a aussi acquitté l'hypothèque sur le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien,—

Le Ministre recommande que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et qu'à la Compagnie de chemin de fer Pacifique Canadien soient délivrées les lettres patentes du dit quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, pour remplacer le dit quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, terrain auquel la compagnie avait droit à titre de créancier statutaire.

Le comité agréé cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 7 février 1916, représentant que le Surintendant des terres des écoles, à Winnipeg, a fait rapport qu'après consultation avec plusieurs inspecteurs des terres scolaires il est fortement d'avis qu'il serait de l'intérêt du fonds des écoles de faire une série de ventes à l'enchère des terres scolaires dans les provinces du Manitoba, Saskatchewan, et Alberta au cours du printemps prochain ou au commencement de l'été.

Avant de décider en la matière le Ministre a consulté les premiers ministres des trois provinces quant à l'opportunité de faire ces ventes, et chacun d'eux a exprimé son approbation et déclaré qu'à leur avis le temps serait opportun de mettre en vente certains de ces terrains.

Il est projeté de faire ces ventes à l'enchère aux endroits suivants :

Glenella, Manitoba,	Indian Head, Saskatchewan,
Dauphin, "	Moose Jaw, "
Rosburn, "	Wynmark, "
Kamsack, Saskatchewan,	Kindersley, "
Redvers, "	Carmangay, Alberta.
Moosomin, "	Vulcan, "
Broadview, "	Munson, "

Il a été représenté au Ministre qu'en vue de la récolte phénoménale de la dernière saison et des prix avantageux, ainsi que du fait que ces terrains sont en grande demande, ces ventes rapporteraient d'excellents prix.

Comme le Ministre est de la même opinion et qu'il est d'avis qu'il serait de l'intérêt du fonds des écoles, dans les trois provinces mentionnées, et comme aucune vente générale de terres des écoles n'a été faite dans les derniers trois ans, de mettre en vente certaines des terres scolaires, et il demande l'autorisation de faire mettre en vente à l'enchère ces terres scolaires aux endroits ci-dessus mentionnés à des dates qui seront fixées plus tard, mais qui seraient probablement dans les premiers jours de juin, les ventes devant être subordonnées aux stipulations de la *Loi des terres fédérales* concernant la vente des terres des écoles.

Le comité agréé cette demande et la soumet pour approbation.

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU qu'un terrain a été borné et choisi sous l'empire des dispositions du traité numéro 1 pour la réserve indienne de Broken-Head numéro 4, dans les townships 15 et 16, rangs 6 et 7, à l'est du méridien principal, mais n'a jamais été mis en réserve pour les sauvages, la borne nord-ouest de ce terrain n'ayant pas été suffisamment déterminée.

Et attendu que l'ajustement de cette borne nord-ouest a maintenant été arrangé de manière satisfaisante avec le Département des Affaires des Sauvages, et qu'un plan et une description de la réserve ont été préparés :

Et attendu que le Ministre de l'Intérieur représente que ce terrain est disponible pour cette fin d'après les archives du Ministère de l'Intérieur ;

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter par ces présentes que toutes les parties des townships 15 et 16, rangs 6 et 7, à l'est du méridien principal, dans la province du Manitoba, colorées rouge sur le plan ci-joint, et qui ne sont pas couvertes par les eaux de la rivière Broken Head, en exceptant les 5 chaînes et 19 chaînons en largeur perpendiculaire à l'extrême nord du lot riverain numéro 2 et tout le lot riverain numéro 3, soient soustraites de l'application de la *Loi des terres fédérales* et mises en réserve pour les sauvages, ces terrains ayant une superficie de 13720 acres, plus ou moins, sauf la partie couverte par les eaux de la rivière Broken Head, colorée rose sur le plan ci-annexé.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 5 février 1916, représentant que M. Henry Tole Munn, a demandé au Département de l'Intérieur au nom de la compagnie dite "Arctic Gold Exploration Syndicate, Limited," dont le bureau principal est à Toronto, Ont., d'acheter un terrain non arpenté situé sur l'île Bylot, dans la baie de Baffin, dans les mers arctiques, dans la Puissance du Canada, latitude nord approximative de 72 degrés 53 minutes, longitude ouest approximative de 76 degrés 15 minutes, situé à la jonction d'un creek se déversant dans le havre de Button avec la rive sud de la dite île et environ trois quarts d'un mille à l'est de la pointe de terre connue sous le nom de "Button Point", et qui peut être décrit plus minutieusement comme suit :

Commencant à l'intersection de la rive droite du dit creek avec la dite rive sud de la dite île ; de là, vers le nord, en suivant la dite rive droite du dit creek jusqu'à un point dans une ligne tirée franc est à partir

d'un point éloigné de 14 chaînes et 14 chaînons franc nord de la dite intersection de la rive du dit creek avec le rivage de l'île ; de là franc ouest sur une distance de 14 chaînes et 14 chaînons ; de là franc sud jusqu'à l'intersection avec la rive sud de la dite île ; de là, vers l'est, en suivant la dite rive sud jusqu'au point de départ ; le terrain contient 20 acres plus ou moins et est coloré rose sur le plan ci-annexé.

Le terrain étant disponible à ces fins d'après les archives du Département de l'Intérieur, le Ministre est d'avis que la demande devrait être accordée, et, par conséquent, il recommande que le terrain ci-dessus décrit soit vendu à la dite compagnie au prix de \$1 l'acre, et que dès que paiement aura été fait au Département de l'Intérieur les lettres patentes du dit terrain soient émises à la compagnie dite "Arctic Gold Exploration Syndicate, Limited," mais avec la condition que ces lettres patentes, outre les réserves ordinaires faites dans les patentes de concessions de terres fédérales, contiendront une stipulation à l'effet que l'arpenteur général des terres fédérales peut en tout temps faire borner le terrain concédé et que sa décision sera finale quant à la situation du terrain concédé et de ses bornes, que cette décision s'accorde ou non avec la description dans les lettres patentes.

Le comité agréé cette recommandation et la soumet pour approbation.

# HOTEL DU GOUVERNEMENT À OTTAWA.

Mardi, le 15e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Un comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 3 février 1916, déclarant que des représentations ont été faites au Département de l'Intérieur que le lac Muskiki, situé dans le township 39, rangs 26 et 27, à l'ouest du 2e méridien, dans la province de la Saskatchewan, contient certaines sources donnant en solution du sulfate de magnésie (epsomite), que les eaux du lac en sont imprégnées et qu'il a été précipité sur le lit du lac sous forme de cristaux.

J. O. Carss, LL.B., avocat d'Ottawa, a demandé au nom d'une compagnie qui s'organise actuellement d'acquérir par bail, pour un certain nombre d'années, le droit à l'extraction du sulfate de magnésie du lit de ce lac, qui a environ 8 milles carrés de superficie. Le requérant déclare que si sa demande est accordée il sera installé pour l'exploitation de ce produit un outillage pouvant donner pour l'expédition de 50 à 100 wagons de ce produit pendant la première année.

Les rapports déposés au Département de l'Intérieur semblent indiquer que le lac est très peu profond ; qu'il est situé dans un creux de terrain aux pentes douces ; qu'il est à plus de 100 pieds au-dessous du niveau moyen de la région ; que n'ayant aucun débouché il est impossible de le drainer ; que les eaux du lac contenant en solution de grandes quantités de sels minéraux elles ne peuvent être employées à des fins domestiques, pour l'irrigation ou pour la production de la vapeur, et qu'elles n'ont, par conséquent, aucune valeur propre comme eau.

Une analyse faite par le docteur F. T. Shutt, chimiste fédéral, de plusieurs échantillons de l'eau de ce lac révèle qu'elle contient de 3.99 à 6.35 pour cent de magnésie, minéral pour l'extraction du duquel on présente maintenant une demande.

Il ressort des rapports reçus que ce lac ne contient pas de grandes quantités du minéral en question ; que vu le fait que le sulfate de magnésie est l'un des sels qui a le moins de valeur marchande, son extraction ne pourrait être entreprise avec succès que sur une étendue beaucoup plus grande que celle des claims ordinaires ; que les eaux et le lit du lac ne semblent avoir aucune autre valeur, le Ministre demande l'autorisation d'accorder aux requérants le bail des droits que peut avoir la Couronne aux dépôts de sulfate de magnésie sur la superficie couverte par les eaux du lac, mais subordonné aux conditions spéciales suivantes :—

1. La durée du bail sera de cinq ans, ce bail étant renouvelable pour de nouvelles périodes de cinq ans chacune, pourvu que les conditions aient été parfaitement remplies.

2. Le loyer sera de dix cents l'acre par année, payable d'avance annuellement.

3. Le bail est subordonné aux droits qui peuvent être accordés sur les eaux du lac.

4. Le locataire devra installer dans le délai d'un an de la date du bail des machines et un outillage d'une valeur d'au moins \$5,000 nécessaire pour l'exploitation, l'extraction et le raffinage des dépôts de sulfate de magnésie qu'on prétend exister, et prouver à la satisfaction du Ministre de l'Intérieur que ces machines et cet outillage ont été installés dans ce délai.

5. Le locataire devra à la fin de la deuxième année et de chaque année subséquente de la période de son bail, fournir la preuve qu'il a dépensé une somme d'au moins \$2,500 au cours de l'année en travaux d'exploitation en vue d'extraire et de traiter le sel dont il a la concession; au cas où les travaux d'exploitation seraient en aucun temps suspendus pendant six mois, le bail serait sujet à annulation immédiate à la discrétion du Ministre de l'Intérieur.

6. Le défaut de se conformer à une condition quelconque du bail qui peut être accordé rend ce bail sujet à annulation immédiate à la discrétion du Ministre.

Le comité agréé cette demande et la soumet pour approbation.

Greffier du conseil privé.

Les examens seront tenus en vue de remplir les positions permanentes suivantes dans la division intérieure du Service Civil du Canada au cours de l'année fiscale 1916-1917 et les Commissaires profitent de cette occasion pour annoncer que tout indique que les besoins des départements ne rendront pas nécessaire un autre examen au mois de novembre prochain. Les personnes désirant se qualifier pour emploi au Service civil intérieur sont priées de prendre note du fait et de se présenter aux examens de mai, si possible.

30 emplois (pour hommes) dans la subdivision B de la troisième division. Cinq de ces emplois seront donnés de préférence à des personnes connaissant la sténographie.

20 emplois de commis (pour femmes) dans la subdivision B de la troisième division. Seize de ces commis seront nommés au personnel du recensement et préférence sera en conséquence accordée à ceux qui ont déjà eu de l'expérience dans ces travaux du recensement.

15 emplois (pour hommes) dans la subdivision B de la deuxième division.

Le traitement initial des commis et des sténo-dactylographes dans la subdivision B de la troisième division est de \$500, et dans la subdivision B de la deuxième division de \$800, mais au cas où il est nécessaire de posséder des aptitudes spéciales pour remplir les fonctions d'une charge, le Gouverneur en conseil peut ajouter au traitement minimum une somme additionnelle ne dépassant pas \$300 pour la troisième division et \$500 pour la deuxième.

Un examen général pour positions de messenger, emballer, trieux et chargeur, dans les grades inférieurs du Service intérieur, sera tenu aux mêmes temps et lieu.

Il est de plus annoncé qu'un personnel de cinquante commis temporaires femmes sera requis le ou vers le 15 juin pour faire la compilation du recensement du Nord-Ouest. Ces commis temporaires peuvent être employés aux travaux du recensement pour une période ne dépassant pas trois ans. Le traitement qu'il leur sera payé sera de \$500 par année, avec augmentation annuelle statutaire de \$50. On doit comprendre, cependant, qu'ils n'ont pas droit à un autre emploi en raison de leurs services aux travaux du recensement. Les commis temporaires requis pour les travaux du recensement seront choisis, par ordre de mérite, sur la liste des candidats aux examens réguliers de troisième division qui n'auront pas obtenu un rang suffisamment élevé pour se qualifier pour emploi permanent.

Les personnes qui désirent se présenter à l'un des examens mentionnés ci-dessus peuvent obtenir tous les renseignements nécessaires, copies des règlements et formules de demande d'inscription, en s'adressant au Secrétaire de la Commission du Service Civil, à Ottawa, soit personnellement ou par écrit.

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième .....     | 100 00    |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,  
Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

## SENAT.

### Avis de bills privés.

#### EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada* ; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada* il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement

d'un avis dans la *Gazette du Canada* : le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

Outre l'avis susdit à publier dans la *Gazette du Canada*, un avis semblable devra aussi être publié dans quelque journal important comme suit :—

A. Lorsque la demande sera faite pour un acte constituant en corporation,—

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

# SUPPLEMENT

TO

## The Canada Gazette

PUBLISHED BY AUTHORITY.

OTTAWA, SATURDAY, MARCH 25, 1916.

[236]

AT THE GOVERNMENT HOUSE AT OTTAWA.

FRIDAY, the 4th day of February, 1916.

PRESENT.

HIS ROYAL HIGHNESS THE GOVERNOR GENERAL IN COUNCIL.

Whereas it is considered necessary to revise the rules of the road for the Great Lakes including Georgian Bay, their connecting and tributary waters, etc., adopted by Order in Council of the 20th April, 1905, as owing to the increased use in recent years of motor boats and other small craft on the inland waters, the present rules have become inadequate to meet present conditions.

And whereas the present rules differ from the United States rules of the road for the same waters, and one of the principal objects of the revision is to harmonize the Canadian rules with the United States rules, which object has been accomplished in the revised rules hereto annexed.

And whereas the adoption of the said revised rules is desired by Canadian shipping interests on the Great Lakes.

Therefore His Royal Highness the Governor General in Council, in pursuance of the provisions of section 913 of the Canada Shipping Act, chapter 113 of the Revised Statutes of Canada, 1906, is pleased to order as follows:—

The annexed Revised Rules are hereby adopted as the Rules of the Road for navigating the Great Lakes including Georgian Bay, their connecting and tributary waters and the St. Lawrence river as far east as the lower exit of the Lachine canal and the Victoria bridge at Montreal, the same to take effect on and after the 1st day of March, 1916, and all other rules or regulations adopted by Order in Council governing the navigation of the said waters, and all Orders in Council previously passed adopting such rules or regulations are hereby repealed.

RODOLPHE BOUDREAU,  
*Clerk of the Privy Council.*

### RULES FOR NAVIGATING THE GREAT LAKES.

Including Georgian Bay, their connecting and tributary waters and the St. Lawrence River as far East as the lower exit of the Lachine Canal and the Victoria Bridge at Montreal.

#### PRELIMINARY.

In the following rules every steam vessel which is under sail and not under steam shall be considered a sail vessel; and every steam vessel which is under steam, whether under sail or not, shall be considered a steam vessel.

The words *steam vessel* and *steamer* shall include any vessel propelled by machinery.

A vessel is *under way* within the meaning of these rules, when she is not at anchor, or made fast to the shore or aground.

## LIGHTS.

RULE 1. The lights mentioned in the following rules and no others shall be carried in all weathers from sunset to sunrise. The word visible in these rules when applied to lights shall mean visible on a dark night with a clear atmosphere.

RULE 2. Except in the cases hereinafter expressly provided for, a steam vessel when under way shall carry:

(a) On or in front of the foremast, or if a vessel without a foremast, then in the forepart of the vessel, at a height above the hull of not less than twenty feet, and if the beam of the vessel exceeds twenty feet, then at a height above the hull not less than such beam, so, however, that such height need not exceed forty feet, a bright white light so constructed as to show an unbroken light over an arc of the horizon of twenty points of the compass, so fixed as to throw the light ten points on each side of the vessel, namely, from right ahead to two points abaft the beam on either side, and of such character as to be visible at a distance of at least five miles.

(b) On the starboard side, a green light, so constructed as to throw an unbroken light over an arc of the horizon of ten points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the starboard side, and of such a character as to be visible at a distance of at least two miles.

(c) On the port side, a red light, so constructed as to show an unbroken light over an arc of the horizon of ten points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the port side, and of such a character as to be visible at a distance of at least two miles.

(d) The said green and red lights shall be fitted with inboard screens projecting at least three feet forward from the light, so as to prevent these lights from being seen across the bow.

(e) A steamer of over one hundred and fifty feet register length shall also carry when under way an additional bright light similar in construction to that mentioned in subdivision (a), so fixed as to throw the light all around the horizon and of such character as to be visible at a distance of at least three miles. Such additional light shall be placed in line with the keel at least fifteen feet higher from the deck and more than seventy-five feet abaft the light mentioned in subdivision (a).

RULE 3. A steam vessel having a tow other than a raft shall in addition to the forward bright light mentioned in subdivision (a) of rule two carry in a vertical line not less than six feet above or below that light a second bright light of the same construction and character and fixed and carried in the same manner as the forward bright light mentioned in said subdivision (a) of rule two. Such steamer shall also carry a small bright light abaft the funnel or after mast for the tow to steer by, but such light shall not be visible forward of the beam.

RULE 4. A steam vessel having a raft in tow shall, instead of the forward lights mentioned in rule three, carry on or in front of the foremast, or if a vessel without a foremast then in the fore part of the vessel, at a height above the hull of not less than twenty feet, and if the beam of the vessel exceeds twenty feet, then at a height above the hull not less than such beam, so however, that such height need not exceed forty feet, two bright lights in a horizontal line athwartships and not less than eight feet apart, each so fixed as to throw the light all around the horizon and of such character as to be visible at a distance of at least five miles. Such steamer shall also carry the small bright steering light aft, of the character and fixed as required in rule three.

RULE 5. A sailing vessel under way and any vessel being towed shall carry the side lights mentioned in rule two.

A vessel in tow shall also carry a small bright light aft, but such light shall not be visible forward of the beam.

RULE 6. Whenever, as in the case of small vessels under way during bad weather, the green and red side lights can not be fixed, these lights shall be kept at hand lighted and ready for use, and shall, on the approach of or to other vessels, be exhibited on their respective sides in sufficient time to prevent collision, in such manner as to make them most visible, and so that the green light shall not be seen on the port side, nor the red light on the starboard side, nor, if practicable, more than two points abaft the beam on their respective sides. To make the use of these portable lights more certain and easy, they shall be painted outside with the colour of the light they respectively contain, and shall be provided with suitable screens.

RULE 7. A vessel under one hundred and fifty feet register length, when at anchor, shall carry forward, where it can best be seen, but at a height not exceeding twenty feet above the hull a white light in a lantern constructed so as to show a clear, uniform, and unbroken light, visible all around the horizon, at a distance of at least one mile.

A vessel of one hundred and fifty feet or upward in register length, when at anchor, shall carry in the forward part of the vessel, at a height of not less than twenty and not exceeding forty feet above the hull, one such light, and at or near the stern of the vessel, and at such a height that it shall not be less than fifteen feet lower than the forward light, another such light.

RULE 8. Open boats shall not be obliged to carry the side lights required for other vessels, but shall, if they do not carry such lights, carry a lantern having a green slide on one side and a red slide on the other side; and on the approach of or to other vessels, such lantern shall be exhibited in sufficient time to prevent collision, and in such a manner that the green light shall not be on the port side, nor the red light on the starboard side. Open boats, when at anchor or stationary, shall exhibit a bright white light. They shall not, however, be prevented from using a flare-up in addition if considered expedient.

RULE 9. Sailing vessels shall at all times, on the approach of any steamer during the nighttime, show a lighted torch upon that quarter to which such steamer shall be approaching.

LIGHTS FOR TUGS UNDER 30 TONS REGISTER (NET) WHOSE PRINCIPAL BUSINESS IS HARBOUR TOWING.

RULE 10. Tugs under 30 tons register (net) whose principal business is harbour towing, shall carry the red and green side lights carried by other steamers; and, at the foremast head, or, if the steamer has no foremast, then on top of the pilot house, a white light so constructed as to show a uniform and unbroken light over an arc of the horizon of 20 points of the compass, and so fixed as to throw the light 10 points on each side of the vessel, namely, from right ahead to 2 points abaft the beam on either side, and of such a character as to be visible at a distance of at least 3 miles; and *when towing, except when towing a raft*, shall carry an additional white light of same character and construction as the headlight, and hung not less than 3 feet vertically above or below the headlight.

*When towing a raft*, the two headlights shall be carried in a horizontal line athwartships not less than 4 feet apart, each so fixed as to throw the light all around the horizon, and of such a character as to be visible at a distance of at least 3 miles.

LIGHTS TO BE CARRIED BY FERRYBOATS.

RULE 11. Ferryboats propelled by steam or machinery shall carry the white light or lights and the coloured side lights required by these rules to be carried on steam vessels, except that *double-end ferryboats* shall carry a central range of clear, bright, white lights, showing all around the horizon, placed at equal altitudes forward and aft, also on the starboard side a green light, and on the port side a red light, of such a character as to be visible on a dark night with a clear atmosphere at a distance of at least 2 miles, and so constructed as to show a uniform and unbroken light over an arc of the horizon of 10 points of the compass, and so fixed as to throw the light from right ahead to 2 points abaft the beam on their respective sides.

The green and red lights shall be fitted with inboard screens projecting at least 3 feet forward from the lights, so as to prevent them from being seen across the bow.

LIGHTS FOR CANAL BOATS IN TOW OF STEAM VESSELS.

RULE 12. Canal boats when in tow of steam vessels shall carry lights as follows:—

Canal boats when *towed astern of steam vessels and towed singly or tandem* shall each carry a green light on the starboard side, a red light on the port side, and a small bright white light aft.

When canal boats are *towed at a hawser in one or more tiers*, two or more abreast, the boat on the starboard side of each tier shall carry a green light on her starboard side, and the boat on the port side of each tier shall carry a red light on her port side, and each of the outside boats in the last tier shall also carry a small bright light aft.

When a canal boat is *towed alongside* and on the starboard side of a steamer, the boat towed shall carry a red light on the port side.

When *two canal boats are towed alongside of a steamer*, one on the starboard and one on the port side, the starboard boat shall carry a green light on the starboard side and the port boat shall carry a red light on the port side.

The *coloured side lights* referred to in these rules for canal boat in tow of steam vessels shall be fitted with inboard screens, so as to prevent them from being seen across the bow, and of such a character as to be visible on a dark night, with a clear atmosphere, at a distance of at least 2 miles, and so constructed as to show a uniform and unbroken light over an arc of the horizon of 10 points of the compass, and so fixed as to throw the light from right ahead to 2 points abaft the beam on either side. The minimum size of glass globes shall not be less than 6 inches in diameter and 5 inches high in the clear.

The *small bright white light aft* required to be carried on canal boats in tow shall not be visible forward of the beam.

LIGHTS FOR WATER CRAFT PROPELLED BY HAND POWER, HORSE POWER, OR BY THE CURRENT OF THE RIVER.

RULE 13. *Any vessel propelled by hand power, horse-power, or by the current of the river*, navigating any bay, harbour, or river, or which shall be anchored or moored in or near the channel or fairway of any bay, harbour, or river, except rafts and rowing boats under oars, shall carry one white light forward not less than 8 feet above the surface of the water, which light shall be carried, from sunset to sunrise, in a lantern so fixed and constructed as to show a clear, uniform, and unbroken light, visible all around the horizon, and of such intensity as to be visible on a dark night with a clear atmosphere at a distance of at least 1 mile.

*Rowing boats* under oars shall have ready at hand a lantern showing a white light which shall be temporarily exhibited in sufficient time to prevent collision.

LIGHTS FOR RAFTS.

RULE 14. Rafts propelled by hand power, horse-power, or by the current of the river, or in tow, or which shall be anchored or moored in or near a channel or fairway of other vessels, shall carry lights as follows:—

Rafts of one crib and not more than two in length shall carry one white light. Rafts of three or more cribs in length and one crib in width shall carry one white light at end of the raft. Rafts of more than one crib abreast shall carry one white light on each outside corner of the raft, making four lights in all.

Bag or boom rafts navigating or anchored in the fairway of any bay, harbour, or river shall carry a bright white light at each end of the raft, and one of such lights on each side midway between the forward and after ends.

The *white light* required by these rules for rafts shall be carried, from sunset to sunrise, in a lantern so fixed and constructed as to show a clear, uniform, and unbroken light, visible all around the horizon, and of such intensity as to be visible on a dark night with a clear atmosphere at a distance of at least 1 mile; which lights shall be suspended from poles of such height that the light shall be not less than 8 feet above the surface of the water.

LIGHTS AND DAY MARKS FOR VESSELS NOT UNDER COMMAND.

RULE 15. A vessel which from any accident is not under command shall carry at the same height as the white light mentioned in Rule 2 (a), where they can best be seen, and, if a steam vessel, in lieu of that light, 2 red lights, in a vertical line, one over the other, not less than 6 feet apart, and of such a character as to be visible all around the horizon at a distance of at least 2 miles; and shall by day carry in a vertical line one over the other not less than six feet apart, where they can best be seen, 2 black balls or shapes each 2 feet in diameter.

RULE PROHIBITING THE CARRYING OF UNAUTHORIZED LIGHTS ON STEAM VESSELS.

RULE 16. No master or pilot of any steam vessel shall authorize or permit to be carried, any light, electric, or otherwise, not required by these rules, on the outside structure of the cabin or hull of the vessel that in any way will interfere with distinguishing the signal lights.

RULE 17. No master or pilot of any steam vessel shall flash or cause to be flashed the rays of the searchlight into the pilot house of any passing vessel.

FOG SIGNALS.

RULE 18. A steam vessel shall be provided with an efficient whistle, sounded by steam or by some substitute for steam, placed before the funnel not less than eight feet from the deck, or in such other place where the sound will not be intercepted by an obstruction and of such character as to be heard in ordinary weather at a distance of at least two miles, and with an efficient bell, and it is hereby made the duty of inspectors of steam vessels when inspecting the same to see that each steamer is furnished with such whistle and bell. A sailing vessel shall be provided with an efficient fog horn and with an efficient bell.

Whenever there is thick weather by reason of fog, mist, falling snow, heavy rainstorms, or other causes, whether by day or by night, fog signals shall be used as follows:—

(a) A steam vessel under way, excepting only a steam vessel with raft in tow, shall sound at intervals of not more than one minute three distinct blasts of her whistle.

(b) Every vessel in tow of another vessel shall, at intervals of one minute, sound four bells on a good and efficient and properly placed bell as follows: By striking the bell twice in quick succession, followed by a little longer interval, and then again striking twice in quick succession (in the manner in which four bells is struck in indicating time).

(c) A steamer with a raft in tow shall sound at intervals of not more than one minute a screeching or Modoc whistle for from three to five seconds.

(d) A sailing vessel under way and not in tow shall sound at intervals of not more than one minute—

If on the starboard tack with wind forward of abeam, one blast of her fog horn;

If on the port tack with wind forward of the beam, two blasts of her fog horn;

If she has the wind abaft the beam on either side, three blasts of her fog horn;

(e) Any vessel at anchor and any vessel aground in or near a channel or fairway shall at intervals of not more than two minutes ring the bell rapidly for three to five seconds.

(f) Vessels of less than ten tons registered tonnage, not being steam vessels, shall not be obliged to give the above-mentioned signals, but if they do not they shall sound a fog horn, or equivalent signal, at intervals of not more than one minute.

(g) Produce boats, fishing boats, rafts, or other water craft navigating by hand power or by the current of the river, or anchored or moored in or near the channel or fairway and not in any port, and not otherwise provided for in these rules, shall sound a fog horn, or equivalent signal, at intervals of not more than one minute.

#### SPEED TO BE MODERATE IN FOG, AND SO FORTH.

RULE 19. Every vessel shall, in thick weather, by reason of fog, falling snow, heavy rainstorms, or other causes, go at *moderate speed*. A steam vessel hearing, apparently not more than four points from right ahead, the fog signal of another vessel shall at once reduce her speed to bare steerageway, and navigate with caution until the vessels shall have passed each other.

### STEERING AND SAILING RULES.

#### PRELIMINARY.

*Risk of collision* can, when circumstances permit, be ascertained by carefully watching the compass bearing of an approaching vessel. If the bearing does not appreciably change, such risk should be deemed to exist.

#### SAILING VESSELS.

RULE 20. When two sailing vessels are approaching one another so as to involve risk of collision one of them shall keep out of the way of the other, as follows, namely:—

(a) A vessel which is running free shall keep out of the way of a vessel which is closehauled.

(b) A vessel which is closehauled on the port tack shall keep out of the way of a vessel which is closehauled on the starboard tack.

(c) When both are running free, with the wind on different sides, the vessel which has the wind on the port side shall keep out of the way of the other.

(d) When they are running free, with the wind on the same side, the vessel which is to windward shall keep out of the way of the vessel which is to leeward.

#### STEAM VESSELS.

#### SIGNALS.

RULE 21. In all weathers every steam vessel under way in taking any course authorized or required by these rules shall indicate that course by the following SIGNALS on her whistle, to be accompanied, whenever required, by corresponding alteration of her helm; and every steam vessel receiving a signal from another shall promptly respond with the same signal or sound the danger signal as provided in Rule 22:—

*One blast* means, "I am directing my course to starboard," except when two steamers are approaching each other at right angles or obliquely, other than when one steamer is overtaking another, one short blast signifies intention of steamer which is to starboard of the other to hold course and speed.

*Two blasts* mean, "I am directing my course to port."

RULE 22. If, when steamers are approaching each other, the pilot of either vessel fails to understand the course or intention of the other, whether from signals being given or answered erroneously, or from other causes, the pilot so in doubt shall immediately signify the same by giving the DANGER SIGNAL of five or more short and rapid blasts of the whistle; and if both vessels shall have approached within half a mile of each other, both shall be immediately slowed to a speed barely sufficient for steerageway, and, if necessary, stopped and reversed, until the proper signals are given, answered, and understood, or until the vessels shall have passed each other.

RULE 23. Steam vessels are forbidden to use what has become technically known among pilots as "CROSS SIGNALS"—that is, answering one whistle with two, and answering two whistles with one. In all cases, and under all circumstances, a pilot receiving either of the whistle signals provided in the rules, which for any reason he deems injudicious to comply with, instead of answering it with a cross signal, shall at once sound the danger signal and observe the rule applying thereto (Rule 22).

RULE 24. The SIGNAL FOR PASSING, by the blowing of the whistle, shall be given and answered by pilots in compliance with these rules, not only when meeting "head and head," or nearly so, but at all times when passing or meeting at a distance within a half mile of each other, and whether passing to the starboard or port.

#### SITUATIONS.

RULE 25. When steamers are APPROACHING EACH OTHER "HEAD AND HEAD," OR NEARLY so, it shall be the duty of each steamer to pass on the port side of the other; and the pilot of either steamer may be first in determining to pursue this course, and thereupon shall give, as a signal of his intention, one short and distinct blast of his whistle, which the pilot of the other steamer shall answer promptly by a similar blast of his whistle, and thereupon such steamers shall pass on the port side of each other. But if the courses of such steamers are so far on the starboard of each other as not to be considered by pilots as meeting "head and head," or nearly so, the pilot so first deciding shall immediately give two short and distinct blasts of his whistle, which the pilot of the other steamer shall answer promptly by two similar blasts of his whistle, and they shall pass on the starboard side of each other: *Provided, however,* That in all NARROW CHANNELS where there is a current, and in the rivers Saint Mary, Saint Clair, Detroit, Niagara, and Saint Lawrence, when two steamers are meeting, the descending steamer shall have the right of way, and shall, before the vessels shall have arrived within the distance of one-half mile of each other, give the signal necessary to indicate which side she elects to take.

In the night, steamers will be considered as meeting "head and head" so long as both the coloured lights of each are in view of the other.

RULE 26. Whenever a steamer is NEARING A SHORT BEND OR CURVE in the channel, where, from the height of the banks or other cause, a steamer approaching from the opposite direction can not be seen for a distance of half a mile, the pilot of such steamer, when he shall have arrived within half a mile of such curve or bend, shall give a signal by one long blast of the whistle, which signal shall be answered by a similar blast, given by the pilot of any steamer within hearing that may be approaching on the other side, and within half a mile of such bend or curve. Should such signal be so answered by a steamer upon the farther side of such bend, then the usual signals for meeting and passing shall immediately be given and answered; but, if the first signal of such pilot be not answered, he is to consider the channel clear and govern himself accordingly.

RULE 27. WHEN A STEAMER IS MOVED FROM ITS DOCK OR BERTH, and other steamers are liable to approach such steamer from any direction, such steamer and any approaching steamer shall give the same signals as in case of steamers meeting at a bend; but immediately after clearing the dock or berth so as to be fully in sight they shall be governed by the rules for passing.

RULE 28. WHEN ONE STEAMER IS OVERTAKING ANOTHER, and the pilot of a steamer which is astern shall desire to pass on the right or starboard hand of the steamer ahead, he shall give one short blast of the whistle, as a signal of such desire and intention, and shall put his helm to port; or if he shall desire to pass on the left or port side of the steamer ahead, he shall give two short blasts of the whistle as a signal of such desire and intention, and shall put his helm to starboard, and the pilot of the steamer ahead shall answer by the same signals; or if he does not think it safe for the steamer astern to attempt to pass at that point, he shall immediately signify the same by giving five or more short and rapid blasts of the whistle, and under no circumstances shall the steamer astern attempt to pass the steamer ahead until such time as they have reached a point where it can be safely done, when said steamer ahead shall signify her willingness by blowing the proper signals. The boat ahead shall in no case attempt to cross the bow or crowd upon the course of the passing steamer.

Every vessel coming up with another vessel from any direction more than two points abaft her beam—that is, in such a position, with reference to the vessel which she is overtaking, that at night she would be unable to see either of that vessel's side lights—shall be deemed to be an *overtaking vessel*; and no subsequent alteration of the bearing between the two vessels shall make the overtaking vessel a crossing vessel within the meaning of these rules, or relieve her of the duty of keeping clear of the overtaken vessel until she is finally passed and clear.

As by day the overtaking vessel can not always know with certainty whether she is forward of or abaft this direction from the other vessel she should, if in doubt, assume that she is an overtaking vessel and keep out of the way.

RULE 29. IN ALL CHANNELS LESS THAN FIVE HUNDRED FEET IN WIDTH, no steam vessel shall pass another going in the same direction unless the steam vessel ahead be disabled or signify her willingness that the steam vessel astern shall pass, when the steam vessel astern may pass, subject, however, to the other rules applicable to such a situation. And when steam vessels proceeding in opposite directions are about to meet in such channels, both such vessels shall be slowed down to a moderate speed, according to the circumstances.

RULE 30. When two steamers are APPROACHING EACH OTHER AT RIGHT ANGLES OR OBLIQUELY SO AS TO INVOLVE RISK OF COLLISION, other than when one steamer is overtaking another the steamer which has the other on her own port side shall hold her course and speed; and the steamer which has the other on her own starboard side shall keep out of the way of the other by directing her course to starboard so as to cross the stern of the other steamer, or, if necessary to do so, slacken her speed or stop or reverse. The steamer having the other on her own port bow shall blow one blast of her whistle as a signal of her intention to cross the bow of the other, holding her course and speed, which signal shall be promptly answered by the other steamer by one short blast of her whistle as a signal of her intention to direct her course to starboard so as to cross the stern of the other steamer or otherwise keep clear.

If from any cause whatever the conditions covered by this situation are such as to prevent immediate compliance with each other's signals, the misunderstanding or objection shall be at once made apparent by blowing the danger signal, and both steamers shall be stopped, and backed if necessary, until signals for passing with safety are made and understood.

RULE 31. When two steam vessels are meeting end on, or nearly end on, so as to involve risk each shall alter her course to starboard, so that each shall pass on the port side of the other.

RULE 32. When two steam vessels are crossing so as to involve risk of collision the vessel which has the other on her own starboard side shall keep out of the way of the other.

RULE 33. WHEN A STEAM VESSEL AND A SAILING VESSEL are proceeding in such directions as to involve risk of collision the steam vessel shall keep out of the way of the sailing vessel.

RULE 34. Where, by any of the rules herein prescribed, one of two vessels shall keep out of the way, the other shall keep her course and speed.

RULE 35. Every steam vessel which is directed by these rules to keep out of the way of another vessel shall, on approaching her, if necessary, slacken her speed or stop or reverse.

RULE 36. Notwithstanding anything contained in these rules every vessel overtaking any other shall keep out of the way of the overtaken vessel.

RULE 37. In obeying and construing these rules due regard shall be had to all DANGERS OF NAVIGATION AND COLLISION and to any SPECIAL CIRCUMSTANCES which may render a departure from the above rules necessary in order to avoid immediate danger.

RULE 38. Nothing in these rules shall exonerate any vessel, or the owner or master or crew thereof, from the consequences of any neglect to carry lights or signals, or of any neglect to keep a proper lookout, or of a neglect of any precaution which may be required by the ordinary practice of seamen, or by the special circumstances of the case.

#### DIAGRAMS.

The following diagrams are intended to illustrate the working of the system of coloured lights and pilot rules:—

##### *First Situation.*

Here the two coloured lights visible to each will indicate their direct approach "head and head" toward each other. In this situation it is a standing rule that both shall put their helms to port and pass on the port side of each other, each having previously given one blast of the whistle.

*Second Situation.*

In this situation the red light only will be visible to each, the screens preventing the green lights from being seen. Both vessels are evidently passing to port of each other, which is rulable in this situation, each pilot having previously signified his intention by one blast of the whistle.

*Third Situation.*

In this situation the green light only will be visible to each, the screens preventing the red light from being seen. They are therefore passing to starboard of each other, which is rulable in this situation, each pilot having previously signified his intention by two blasts of the whistle.

*Fourth Situation.*

In this situation one steamer is overtaking another steamer from some point within the angle of two points abaft the beams of the overtaken steamer. The overtaking steamer may pass on the starboard or port side of the steamer ahead after the necessary signals for passing have been given, with assent of the overtaken steamer, as prescribed in Rule 28.

*Fifth Situation.*

In this situation two steamers are approaching each other at right angles or obliquely in such manner as to involve risk of collision, other than where one steamer is overtaking another.

The steamer which has the other on her own port side shall hold course and speed, and the other shall keep clear by crossing astern of the steamer that is holding course and speed, or, if necessary to do so, shall slacken her speed or stop or reverse.

Both steamers shall otherwise observe the provisions of Rule 30 with respect to the signals for passing and the danger signal.

RULE PROHIBITING UNNECESSARY SOUNDING OF THE STEAM WHISTLE.

RULE 39. No licensed officer in charge of any steamer shall authorize or permit unnecessary sounding of the steam whistle.

DISTRESS SIGNALS.

RULE 40. When a vessel is in distress and requires assistance from other vessels or from the shore, the following shall be the signals to be used or displayed by her, either together or separately, viz.:—

In the daytime:—

1. A gun or other explosive signal fired at intervals of about a minute.
2. The International Code signal of distress indicated by N.C.
3. The distant signal, consisting of a square flag, having either above or below it a ball or anything resembling a ball.
4. A continuous sounding with any fog-signal apparatus.

At night:—

1. A gun or other explosive signal fired at intervals of about a minute.
2. Flame from the vessel (as from burning a tar barrel, oil barrel, etc.).
3. Rockets or shells, throwing stars of any colour or description, fired one at a time, at short intervals.
4. A continuous sounding with any fog-signal apparatus.

RULES CONCERNING MOTOR BOATS.

PRELIMINARY.

In the following rules the words “motor boat” shall include every vessel propelled by machinery and not more than sixty-five feet in length except tug-boats and tow-boats propelled by steam. The length shall be measured from end to end over the deck excluding sheer.

RULE 41. That motor boats subject to the provision of these rules shall be divided into classes as follows:—

Class one. Less than twenty-six feet in length.

Class two. Twenty-six feet or over and less than forty feet in length.

Class three. Forty feet or over and not more than sixty-five feet in length.

RULE 42. That every motor boat in all weathers from sunset to sunrise shall carry the following lights, and during such time no other lights which may be mistaken for those prescribed shall be exhibited.

(a) Every motor boat of class one shall carry the following lights:—

First. A white light aft to show all around the horizon.

Second. A combined lantern in the fore part of the vessel and lower than the white light aft showing green to starboard and red to port, so fixed as to throw the light from right ahead to two points abaft the beam on their respective sides.

(b) Every motor boat of classes two and three shall carry the following lights:—

First. A bright white light in the fore part of the vessel as near the stem as practicable, so constructed as to show an unbroken light over an arc of the horizon of twenty points of the compass, so fixed as to throw the light ten points on each side of the vessel, namely, from right ahead to two points abaft the beam on either side. The glass or lens shall be of not less than the following dimensions:—

Class two. Nineteen square inches.

Class three. Thirty-one square inches.

Second. A white light aft to show all around the horizon.

Third. On the starboard side a green light so constructed as to show an unbroken light over an arc of the horizon of ten points of the compass, so fixed as to throw the light from right ahead to two points abaft the beam on the starboard side. On the port side a red light so constructed as to show an unbroken light over an arc of the horizon of ten points of the compass so fixed as to throw the light from right ahead to two points abaft the beam on the port side. The glasses or lenses in the said side lights shall be of not less than the following dimensions on motor boats of—

Class two. Sixteen square inches.

Class three. Twenty-five square inches.

On and after March first, nineteen hundred and seventeen, all glasses or lenses prescribed by paragraph (b) of Rule 42 shall be fresnel or fluted. The said lights shall be fitted with inboard screens of sufficient height and so set as to prevent these lights from being seen across the bow and shall be of not less than the following dimensions on motor boats of—

Class two. Eighteen inches long.

Class three. Twenty-four inches long: *Provided*, That motor boats as defined in these Rules, when propelled by sail and machinery or under sail alone, shall carry the coloured lights suitably screened but not the white lights prescribed by this Rule.

RULE 43. (a) Every motor boat under the provisions of these Rules shall be provided with a whistle or other sound-producing mechanical appliance capable of producing a blast of two seconds or more in duration, and in the case of such boats so provided a blast of at least two seconds shall be deemed a prolonged blast within the meaning of these Rules.

(b) Every motor boat of class two or three shall carry an efficient fog horn.

(c) Every motor boat of class two or three shall be provided with an efficient bell, which shall be not less than eight inches across the mouth on board of vessels of class three.

RULE 44. That every motor boat and also every vessel propelled by machinery other than by steam, more than sixty-five feet in length, shall carry ready for immediate use the means of promptly and effectually extinguishing burning gasoline.

RULE 45. The foregoing Rules shall be in full force and effect on and after the first day of March, nineteen hundred and sixteen, and shall supersede all Rules of the Road for the Great Lakes, etc., previously adopted.

## HOTEL DU GOUVERNEMENT A OTTAWA.

VENDREDI, le 4e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GENERAL EN CONSEIL.

Attendu qu'il est jugé nécessaire de reviser les règlements régissant la navigation sur les Grands Lacs (y compris la Baie Georgienne), ainsi que la navigation sur les eaux qui les relient et les eaux tributaires, etc., adoptés par un arrêté en conseil du 20 avril 1915, car à cause de l'augmentation en ces dernières années du nombre de bateaux à moteur et d'autre batellerie sur les eaux de l'intérieur, les présents règlements sont inadéquats dans les conditions actuelles.

Et attendu que les présents règlements diffèrent de ceux des Etats-Unis sur les mêmes eaux et qu'un des buts principaux de la révision est de rendre les règlements canadiens conformes à ceux des Etats-Unis, ce qui est fait dans les règlements révisés ci-annexés.

Et attendu que les intéressés dans la marine marchande sur les Grands Lacs désirent l'adoption des dits règlements révisés.

Par conséquent, il plaît à Son Altesse Royale le Gouverneur en conseil, en vertu des dispositions de l'article 913 de la Loi de la marine marchande au Canada, chapitre 113 des Statuts révisés du Canada, 1906, de décréter par ces présentes ce qui suit:—

Sont par ces présentes adoptés les règlements révisés ci-annexés concernant la navigation sur les Grands Lacs (y compris la Baie Georgienne), ainsi que la navigation sur les eaux qui les relient et les eaux tributaires, et le fleuve Saint-Laurent jusqu'à la limite orientale déterminée par la porte d'aval de l'écluse inférieure du canal Lachine et le pont Victoria à Montréal. Ces règlements seront en vigueur à dater du premier jour de mars 1916, et tous les autres règlements adoptés par arrêté en conseil concernant la navigation des dites eaux, et tous les arrêtés en conseil antérieurs promulguant de tels règlements sont par ces présentes rescindés.

RODOLPHE BOUDREAU,  
*Greffier du Conseil privé.*

## REGLEMENTS

Concernant le navigation sur les Grands Lacs, sur les eaux de la Baie Georgienne, sur les eaux de la Baie Georgienne, sur celles les reliant ou en étant tributaires, et sur le fleuve Saint-Laurent, jusqu'à la limite orientale déterminée par la porte d'aval de l'écluse inférieure du canal Lachine et le pont Victoria, à Montréal.

### DISPOSITIONS PRÉLIMINAIRES.

Pour l'application des articles du présent règlement, tout navire à vapeur faisant route uniquement à la voile, doit être considéré comme étant un navire à voiles; et tout navire à vapeur dont la machine est sous pression doit être considéré comme navire à vapeur, qu'il se serve ou non de ses voiles.

L'expression "navire à vapeur" comprend tout navire mû par des machines.

Un navire "fait route" dans le sens du présent règlement, lorsqu'il n'est pas au mouillage, ou amarré au rivage, ou échoué.

FEUX.

Article 1. Les feux dont il est fait mention dans les articles suivants du présent règlement, sont les seuls qui doivent être montrés depuis le coucher du soleil jusqu'au moment où il se lève.

L'expression "visible", employée dans le présent règlement au sujet des feux, signifie visible par une nuit noire et ciel clair.

Article 2. Excepté dans les cas expressément déterminés ci-après, tout navire à vapeur faisant route doit porter :—

(a) Au mât de misaine ou en avant de ce mât, ou bien, si le navire n'a pas de mât de misaine, sur la partie avant du navire, à une hauteur au-dessus du plat-bord qui ne soit pas inférieure à vingt pieds, et si la largeur du navire dépasse vingt pieds à une hauteur au-dessus du plat-bord au moins égale à cette largeur sans qu'il soit néanmoins nécessaire que cette hauteur au-dessus du plat-bord dépasse quarante pieds, un feu blanc brillant, disposé de manière à montrer une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de vingt quarts ou rums de compas, soit 10 quarts de chaque côté du navire, c'est-à-dire depuis l'avant jusqu'à 2 quarts sur l'arrière du travers de chaque bord. Ce feu doit être visible d'une distance d'au moins cinq milles.

(b) A tribord : un feu vert établi de manière à projeter une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de 10 quarts ou rums du compas, c'est-à-dire depuis l'avant jusqu'à deux quarts sur l'arrière du travers à tribord. Ce feu doit être visible d'une distance d'au moins deux milles.

(c) A bâbord : un feu rouge établi de manière à projeter une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de 10 quarts ou rums du compas, c'est-à-dire depuis l'avant jusqu'à deux quarts sur l'arrière du travers à bâbord. Ce feu doit être visible d'une distance d'au moins deux milles.

(d) Ces feux de côté, vert et rouge, doivent être mis sur des boîtes ouvertes, ou écrans, placés de chaque côté du navire, dépassant le feu d'au moins trois pieds vers la proue, et construits de manière que le feu vert ne puisse être aperçu de bâbord avant et le feu rouge de tribord avant.

(e) Tout navire à vapeur de plus de cent cinquante pieds de longueur faisant route doit porter un feu additionnel blanc, semblable à celui mentionné au paragraphe (a) disposé de manière à projeter tout autour de l'horizon une lumière claire à une distance d'au moins trois milles. Ce feu additionnel doit être placé dans le plan de la quille à quinze pieds au moins au-dessus du pont et à une distance de plus de soixante et quinze pieds en arrière du feu mentionné au paragraphe (a).

ARTICLE 3. Tout navire à vapeur qui remorque autre chose qu'un train de bois flotté, doit porter en outre du feu blanc brillant de l'avant, mentionné au paragraphe (a) de l'article deux, un deuxième feu blanc brillant semblable au feu susdit, mentionné au paragraphe (a) de l'article deux, et disposé verticalement à une distance de six pieds au moins au-dessus ou au-dessous de ce premier feu. Tel navire à vapeur doit aussi porter un petit feu blanc brillant en arrière de la cheminée ou du mât d'artimon, pour permettre au navire remorqué de gouverner, mais ce feu ne doit pas être visible en avant du maître-bau.

ARTICLE 4. Tout navire à vapeur qui remorque un train de bois flotté, doit, au lieu des feux de l'avant mentionnés à l'article 3, porter au mât de misaine ou en avant de ce mât, ou bien si le navire n'a pas de mât de misaine, sur la partie avant du navire, à une hauteur au-dessus du plat-bord qui ne soit pas inférieure à vingt pieds, et si la largeur du navire dépasse vingt pieds à une hauteur au-dessus du plat-bord au moins égal à cette largeur, sans qu'il soit nécessaire que cette hauteur au-dessus du plat-bord dépasse quarante pieds, deux feux blancs brillants horizontaux, disposés en travers du navire, à une distance d'au moins huit pieds l'un de l'autre et de manière à projeter tout autour de l'horizon une lumière claire ininterrompue, à une distance d'au moins cinq milles. Tel navire à vapeur doit aussi porter le petit feu blanc brillant du mât d'artimon, mentionné à la fin de l'article 3.

ARTICLE 5. Tout voilier faisant route doit porter les feux de côté mentionnés à l'Article 2; et, tout navire remorqué doit aussi porter ces mêmes feux.

Tout navire remorqué doit en outre porter à l'arrière un petit feu blanc brillant, feu qui ne doit pas être visible en avant du maître-bau.

ARTICLE 6. Lorsqu'un navire faisant route par gros temps à des dimensions trop petites pour que ses feux de côté, vert et rouge, puissent être fixés de manière permanente, ces feux doivent, néanmoins, être tenus allumés sur le pont, chacun sur le côté réglementaire, afin que l'on puisse s'en servir instantanément. Ils doivent être montrés chacun, selon le besoin, et du bon côté, à tout bâtiment qui s'approcherait du navire qui les porte, ou dont ce dernier s'approcherait, et ce, assez à temps pour prévenir un abordage. Cette manœuvre doit être faite de telle manière que les feux de côté soient aussi visibles que possible, et présentés de telle sorte que le feu vert ne puisse être aperçu du côté de bâbord, ni le feu rouge du côté de tribord, si la chose est praticable, à plus de deux quarts en arrière du travers de chacun des côtés du navire. Pour rendre l'application de cet Article du règlement plus facile et plus certaine, les fanaux doivent être peints extérieurement de la couleur du feu qu'ils contiennent, et ils doivent, de plus, être pourvus d'écrans convenables.

ARTICLE 7. Un navire de moins de cent cinquante pieds de longueur, lorsqu'il est au mouillage, doit porter à l'avant dans l'endroit où il peut être le plus apparent, mais à une hauteur n'excédant pas vingt pieds au-dessus du plat-bord, un feu blanc dans un fanal disposé de manière à projeter tout autour de l'horizon une lumière claire, uniforme et non interrompue à une distance d'au moins un mille.

Un navire de cent cinquante pieds ou plus de longueur, lorsqu'il est au mouillage, doit porter à la partie avant à une hauteur au-dessus du plat-bord de vingt pieds au moins, et de quarante pieds au plus, un feu semblable à celui mentionné plus haut, et à l'arrière ou près de l'arrière un second feu pareil qui doit être à une hauteur telle qu'il ne se trouve pas à moins de 15 pieds plus bas que celui de l'avant.

ARTICLE 8. Les embarcations ouvertes ne sont pas obligées de porter les feux de côté que l'on exige des navires, mais elles doivent, si elles ne les portent pas, porter un fanal émettant une lumière verte d'un côté et rouge de l'autre; fanal qui doit être présenté assez à temps pour éviter tout abordage et de telle sorte que le feu vert ne puisse être aperçu du côté de bâbord ni le feu rouge du côté de tribord. Les embarcations ouvertes, doivent lorsqu'elles sont au mouillage ou stationnaires, montrer un feu blanc brillant. On ne les empêche pas cependant de montrer par surcroît un feu intermittent si cela est opportun.

ARTICLE 9. Les voiliers doivent en tout temps, durant la nuit, lorsqu'un navire à vapeur s'approche d'eux, montrer une torche allumée du côté où se trouve le vapeur qui approche.

#### FEUX DES REMORQUEURS AYANT UN TONNAGE NET DE MOINS DE 30 TONNEAUX ET PRINCIPALEMENT EMPLOYÉS À FAIRE DU REMORQUAGE DANS LES PORTS.

ARTICLE 10. Les remorqueurs ayant un tonnage net de moins de 30 tonneaux et principalement employés à faire du remorquage dans les ports, doivent porter les feux de côté vert et rouge que portent les autres vapeurs, et, en tête du mât de misaine ou bien si ce remorqueur à vapeur n'a pas de mât de misaine, sur le haut de kiosque du pilote, un feu blanc brillant, disposé de manière à montrer une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de 20 quarts ou rums du compas, soit 10 quarts de chaque côté du navire, c'est-à-dire, depuis l'avant jusqu'à 2 quarts sur l'arrière du travers de chaque bord. Ce feu doit être visible à une distance d'au moins 3 milles. Lorsqu'un remorqueur fait du *remorquage autre que celui d'un train de bois flotté*, il doit porter un feu blanc additionnel semblable au feu de tête de mât et suspendu verticalement à une distance d'au moins trois pieds au-dessus ou au-dessous du feu de tête de mât.

Lorsqu'un remorqueur *remorque un train de bois flotté*, les deux feux de tête de mât doivent être disposés horizontalement en travers du navire, à une distance d'au moins quatre pieds l'un de l'autre, de manière à projeter tout autour de l'horizon, une lumière claire uniforme et ininterrompue à une distance d'au moins trois milles.

#### FEUX QUE DOIVENT PORTER LES BACS.

ARTICLE 11.—Les bacs dont la progression est obtenue par l'emploi de la vapeur ou de machines, doivent porter le ou les feux blancs et les feux de couleur des côtés que ce règlement exige des navires à vapeur; et les *bacs à proue double*, c'est-à-dire, dont la poupe est remplacée par une seconde proue, doivent porter dans le plan de leur ligne médiane longitudinale ou axe, un alignement de feux blancs brillants disposés de manière à projeter tout autour de l'horizon une lumière claire. Ces feux doivent être portés à une même hauteur à l'avant et à l'arrière du bac qui, de plus, doit porter sur ses côtés un feu vert à tribord et un feu rouge à bâbord. Ces derniers feux devront être visible par nuit noire et ciel clair à une distance d'au moins deux milles. Ils doivent être disposés de manière à montrer une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de 10 quarts ou rums du compas, c'est-à-dire depuis l'avant jusqu'à 2 quarts sur l'arrière du travers de chaque bord.

Ces feux de côté, vert et rouge, doivent être mis sur des boîtes ouvertes, ou écrans, dépassant le feu d'au moins trois pieds vers la proue, et construits de manière que le feu vert ne puisse pas être aperçu de bâbord avant et le feu rouge de tribord avant.

#### FEUX QUE DOIVENT PORTER LES BATEAUX NAVIGUANT SUR LES CANAUX, LORSQU'ILS SONT REMORQUÉS PAR DES NAVIRES À VAPEUR.

ARTICLE 12.—Les bateaux naviguant sur les canaux doivent, lorsqu'ils sont *remorqués un à la fois ou en tandem à l'arrière de navires à vapeur*, porter un feu vert du côté de tribord, un feu rouge du côté de bâbord et un petit feu blanc brillant à l'arrière.

Lorsque des bateaux naviguant sur les canaux sont *remorqués à l'aide d'une haussière sur plusieurs rangées*, de deux bateaux ou plus de front, le bateau se trouvant à tribord de chaque rangée doit porter un feu de côté vert à tribord, et le bateau se trouvant à bâbord de chaque rangée doit porter un feu de côté rouge à bâbord; cependant que chacun des bateaux se trouvant aux extrémités de la dernière rangée doit, en outre, porter à l'arrière un petit feu blanc brillant.

Lorsqu'un bateau naviguant sur les canaux est *remorqué le long du bord* d'un vapeur du côté de tribord, ce bateau remorqué doit porter un feu de côté vert à tribord. Quand le bateau remorqué le long du bord d'un vapeur se trouve du côté de bâbord de ce vapeur, ce bateau remorqué doit porter un feu de côté rouge à bâbord.

Lorsqu'un bateau naviguant sur les canaux est *remorqué le long du bord* d'un d'un vapeur l'un du côté de tribord, et l'autre du côté de bâbord, le bateau à tribord doit porter un feu de côté vert à tribord et le bateau à bâbord un feu de côté rouge à bâbord.

*Les feux de côté de couleur*, dont il est question dans ce règlement lorsqu'il s'agit de bateaux naviguant sur les canaux et remorqués par des vapeurs, doivent être pourvus de boîtes ouvertes ou écrans construits de telle sorte que le feu vert ne puisse être aperçu de bâbord avant, et le feu rouge de tribord avant. Ces feux de côté doivent être établis de manière à projeter une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de 10 quarts ou rums de compas, c'est-à-dire, depuis l'avant jusqu'à deux quarts sur l'arrière du travers de chaque bord. Ils doivent, en outre, être visibles à une distance d'au moins deux milles, par nuit noire et ciel clair. Les globes des fanaux contenant ces feux ne doivent pas avoir moins de 6 pouces de diamètre et être découverts sur une hauteur d'au moins 5 pouces.

Quant au *petit feu blanc brillant* de l'arrière que doivent porter les bateaux naviguant sur les canaux, lorsqu'ils sont remorqués, il ne doit pas être aperçu en avant du maître-bau.

FEUX QUE DOIVENT PORTER LES BÂTIMENTS DONT LA PROGRESSION EST DUE À LA FORCE HUMAINE, À CELLE DE CHEVAUX OU AU COURANT D'UN COURS D'EAU.

ARTICLE 13. *Tout navire dont la progression est due à la force humaine, à celle de chevaux ou au courant d'un cours d'eau*, qui navigue dans une baie, dans un port ou sur un cours d'eau, ou qui est mouillé ou amarré dans ou près d'un chenal ou passe, d'une baie, d'un port ou d'un cours d'eau, exception étant faite quant aux trains de bois flotté et aux embarcations marchant à l'aviron, doit montrer à l'avant, depuis le coucher du soleil jusqu'au moment où il se lève, un feu blanc brillant, porté dans un fanal établi à une distance d'au moins 8 pieds au-dessus de la surface de l'eau, de manière à projeter tout autour de l'horizon une lumière claire à une distance d'au moins 1 mille, par nuit noire et ciel clair.

*Les embarcations marchant à l'aviron* doivent toujours avoir prêt un fanal garni, pour feu blanc, qui, au besoin, doit être montré assez à temps pour prévenir tout abordage.

FEUX QUE DOIVENT PORTER LES TRAINS DE BOIS FLOTTÉ.

Article 14.—Les trains de bois flotté dont la progression est due à la force humaine, à celle de chevaux ou au courant d'un cours d'eau, ou qui sont remorqués, ou mouillés, ou amarrés dans ou près d'une passe ou chenal fréquenté par des navires, doivent porter les feux suivants:—

Les trains de bois flotté longs d'une part (crib) ou de deux parts au plus, doivent porter un feu blanc. Les trains de bois flotté longs de trois parts ou plus et de la largeur d'une part doivent porter un feu blanc à chacune des extrémités du train. Quant aux trains de bois flotté ayant une largeur supérieure à celle d'une part, dans le sens de leur progression, ils doivent porter un feu blanc à chacun de leurs angles extérieurs, c'est-à-dire, quatre feux en tout.

Les trains de bois flotté contenus dans une panne (boom) et qui se déplacent ou sont mouillés dans la passe d'une baie, dans un port, ou sur une rivière, doivent porter un feu blanc brillant à chacune de leurs extrémités, et un feu semblable sur chacun de leurs côtés, à mi-distance entre la tête et la queue de chaque train.

Tout *feu blanc* dont cet article du règlement exige la présence sur les trains de bois flotté, depuis le coucher du soleil jusqu'au moment où il se lève, doit être émis par un fanal suspendu à une perche, de telle manière que le feu se trouve à une distance d'au moins 8 pieds au-dessus de l'eau, le fanal devant être établi de manière à projeter tout autour de l'horizon une lumière claire et ininterrompue, à une distance d'au moins 1 mille, par nuit noire et ciel clair.

FEUX ET VOYANTS POUR NAVIRES NE GOUVERNANT PAS.

Article 15. Tout navire qui par suite d'un accident ne gouverne pas, doit porter à la même hauteur que le feu blanc mentionné à l'article 2 (a) à l'endroit le plus apparent et si c'est un navire à vapeur au lieu dudit feu, deux feux rouges verticaux disposés l'un au-dessus de l'autre à une distance d'au moins 6 pieds, de manière à projeter une lumière visible tout autour de l'horizon à une distance d'au moins deux milles; et durant le jour il doit porter deux formes ou ballons noirs verticaux, de 2 pieds de diamètre chacun, à l'endroit le plus apparent et à une distance d'au moins 6 pieds l'un au-dessus de l'autre.

IL EST DÉFENDU DE PORTER SUR LES NAVIRES À VAPEUR DES FEUX NON AUTORISÉS.

Article 16. Nul capitaine ou pilote d'un navire à vapeur ne doit autoriser ou permettre de porter à l'extérieur des cabines ou de la coque de son bâtiment, un feu électrique ou autre non autorisé par ce règlement, et qui pourrait de quelque façon empêcher de bien reconnaître les feux de signaux du bord.

ARTICLES CONCERNANT L'EMPLOI DES PROJECTEURS.

ARTICLE 17. Nul capitaine ou pilote d'un navire à vapeur ne doit projeter ou faire projeter les rayons d'un projecteur lumineux sur le kiosque du pilote d'un navire qu'il rencontre.

SIGNAUX DE BRUME.

ARTICLE 18. Tout navire à vapeur doit être pourvu d'un bon sifflet à vapeur, ou d'un bon dispositif analogue, établi en avant de la cheminée à une distance d'au moins huit pieds au-dessus du pont, ou à tel autre endroit du bâtiment où les ondes sonores émises ne soient pas interceptées par des obstacles; la construction de ce sifflet doit être telle que par temps ordinaire le son qu'il émet puisse être entendu à une distance d'au moins deux milles. Tout vapeur doit, en outre, être pourvu d'une bonne cloche. Par les présentes il est enjoint aux inspecteurs des bateaux à vapeur de se rendre compte, au cours de leurs inspections, de la présence à bord de tout navire: du sifflet et de la cloche susmentionnés. Tout voilier doit être pourvu d'un bon cornet à bouquin et d'une bonne cloche.

Lorsque de jour ou de nuit le temps est gros, par suite de brume, de brouillard, de neige, de forte pluie, ou de toute autre cause, on doit faire les signaux suivants:—

(a) Tout navire à vapeur faisant route, doit, sauf s'il remorque un train de bois flotté, donner à intervalles ne dépassant pas une minute, trois sons distincts de son sifflet.

(b) Tout navire remorqué par un bâtiment doit, à intervalles d'une minute, piquer quatre coups de cloche sur une bonne cloche convenablement placée, et ce de la manière suivante: frapper deux coups brefs successifs, suivis d'un intervalle de temps un peu plus long, puis deux autres coups brefs successifs (ainsi qu'on le fait pour piquer les quatre coups de cloche de l'heure à bord).

(c) Tout vapeur qui remorque un train de bois flotté doit, à intervalles ne dépassant pas une minute, donner un coup de sifflet perçant—sifflet Modoc,—long de trois à cinq secondes.

(d) Tout voilier faisant route, sans être remorqué, doit, à intervalle ne dépassant pas une minute: (s'il a ses amures à tribord et le vent sur l'avant du travers, donner un son de son cornet à bouquin). (S'il a ses amures à bâbord et le vent sur l'avant du travers, donner deux sons de son cornet à bouquin.) (S'il a le vent sur l'arrière du travers de l'un ou de l'autre bord, donner trois sons de son cornet à bouquin.)

(e) Tout navire au mouillage ou échoué dans ou près d'un chenal ou d'une passe doit à intervalles ne dépassant pas deux minutes, frapper des coups de cloche rapides pendant un laps de temps variant de trois à cinq secondes.

(f) Les navires, non à vapeur, qui jaugent moins de dix tonneaux nets, ne sont pas tenus de faire les signaux susmentionnés, toutefois, s'ils ne font pas ces signaux, ils doivent faire un signal phonique quelconque, à même d'être entendu, et qui soit répété à des intervalles de silence, ne dépassant pas une minute.

(g) Les bateaux transportant des denrées, les bateaux de pêche, les trains de bois flotté et autres bâtiments, dont la progression est due à la force humaine ou au courant d'un cours d'eau, ou ceux qui sont mouillés ou amarrés dans ou près d'un chenal ou passe ne se trouvant pas dans un port, et pour lesquels aucun signal n'aurait été spécialement déterminé dans ce règlement, doivent donner des sons à l'aide d'un cornet à bouquin ou autre instrument analogue, à des intervalles de silence ne dépassant pas une minute.

DIMINUTION DE VITESSE PAR TEMPS BRUMEUX, ETC.

ARTICLE 19. Tout navire doit marcher à une *vitesse modérée*, lorsque le temps est gros, (*thick weather*), c'est-à-dire lorsque l'horizon n'est pas entièrement visible, par suite de brume, de brouillard, de neige, d'une forte pluie ou de toute autre cause. Tout vapeur qui entend le signal phonique de brume d'un autre navire, provenant apparemment des quatre quarts d'un bord ou de l'autre de son avant (avant du navire entendant le son), doit immédiatement modérer sa vitesse, n'en conservant que juste assez pour obéir à l'action du gouvernail, et naviguer avec précaution jusqu'à ce que les deux bâtiments se soient dépassés.

REGLES DE NAVIGATION.

NOTIONS PRÉLIMINAIRES.

RISQUES D'ABORDAGE.—On peut s'assurer des risques d'abordage, lorsque les circonstances le permettent, en guettant soigneusement l'orientation d'un navire qui approche. Si cette orientation ne change pas sensiblement, ces risques sont censés exister.

NAVIRES À VOILES.

ARTICLE 20.—Lorsque deux navires à voiles s'approchent l'un de l'autre de manière qu'il y ait risque d'abordage, l'un d'eux doit s'écarter de la route de l'autre, comme suit, savoir:—

(a) Tout navire qui a du large doit s'écarter de la route d'un navire qui est au plus près.

(b) Tout navire qui est au plus près et a les amures à bâbord, doit s'écarter de la route d'un navire qui est aussi au plus près mais qui a les amures à tribord.

(c) Lorsque deux navires à voiles ont du large et reçoivent le vent sur des côtés différents, celui qui reçoit le vent à bâbord doit s'écarter de la route de celui qui le reçoit à tribord.

(d) Lorsque deux navires à voiles ont du large et reçoivent le vent du même côté, celui qui est au vent doit s'écarter de la route de celui qui est sous le vent.

NAVIRES A VAPEUR.

SIGNAUX.

ARTICLE 21. Par tous les temps tout vapeur faisant route doit, en prenant une route autorisée ou exigée par ce règlement, indiquer cette route à l'aide des *signaux* suivants, faits fil l'aide de sons de son sifflet, signaux qui selon les besoins du moment doivent être immédiatement suivis de la manœuvre correspondante de la barre. Tout vapeur qui perçoit le signal phonique d'un autre navire doit y répondre par le même signal, ou donner les sons du signal du danger, tels que mentionnés à l'Article 22 de ce règlement.

Un coup de sifflet signifie:—"Je me dirige sur tribord", excepté s'il s'agit de deux vapeurs qui s'approchent l'un de l'autre à angle droit ou obliquement, mais non de deux vapeurs dont l'un atteint droit l'autre. Un coup de sifflet bref signifie que le vapeur qui se trouve à tribord de l'autre entend poursuivre sa route sans ralentir sa marche.

Deux coups de sifflet signifient:—"Je me dirige sur bâbord".

ARTICLE 22. Si lorsque deux vapeurs s'approchent l'un de l'autre, l'homme de barre de l'un d'eux manque de comprendre la route que l'autre navire suit, ou a l'intention de suivre, soit que les signaux aient été mal faits ou mal compris, ou pour toute autre raison, l'homme de barre qui est dans le doute doit immédiatement faire part de son doute en faisant le signal *du danger*, c'est-à-dire, en donnant cinq coups de sifflet brefs, ou plus; que, si les deux navires se sont approchés l'un de l'autre à une distance d'un demi mille, tous deux doivent alors ralentir leur marche de manière à pouvoir tout juste gouverner, et, si nécessaire, ils doivent stopper et renverser leur marche jusqu'à ce que les signaux convenables aient été faits, qu'il y ait été répondu, et qu'on les ait compris, ou jusqu'à ce que les navires se soient dépassés réciproquement.

ARTICLE 23. Il est défendu aux navires à vapeur de faire ce qu'on est convenu de nommer en termes techniques, parmi les navigateurs, des *signaux contraires* "*cross-signals*", c'est-à-dire, répondre à un coup de sifflet par deux coups de sifflet, et à deux coups de sifflet par un coup de sifflet. Dans tous les cas et en toutes circonstances où un homme de barre entend un des coups de sifflet mentionnés dans ce règlement, et dont pour une raison quelconque il juge à propos de ne pas tenir compte, il doit au lieu de répondre par un signal contraire faire immédiatement le signal du danger et observer les dispositions prescrites ci-dessus (article 22).

ARTICLE 24. Les signaux phoniques au sifflet que doit faire un navire voulant en dépasser un autre, doivent être faits par les hommes de barre en conformité de ce règlement, et on doit y répondre aussi en conformité de ce règlement, non seulement lorsque deux navires se rencontrent faisant route "l'un sur l'autre" ou presque, mais en tout temps lorsque deux bâtiments se dépassent ou se rencontrent à un demi mille l'un de l'autre, et ceci soit qu'un navire passe à tribord ou à bâbord de l'autre.

POSITIONS DES BÂTIMENTS.

ARTICLE 25.—Lorsque deux vapeurs marchent "*l'un sur l'autre*", ou presque, chacun d'eux doit passer à bâbord de l'autre, et l'homme de barre de l'un ou de l'autre de ces bâtiments peut être le premier à se décider à manœuvrer de la sorte, en conséquence de quoi il doit faire le signal notifiant son intention, c'est-à-dire, donner un son bref et distinct de son sifflet à vapeur, auquel l'homme de barre de l'autre vapeur doit répondre promptement par un pareil coup de sifflet, et les deux vapeurs doivent alors passer à bâbord l'un de l'autre; que si les routes suivies par les deux vapeurs se trouvent tellement à tribord l'une de l'autre que les hommes de barre soient d'avis que les deux navires ne marchent pas "*l'un sur l'autre*", ou presque, l'homme de barre qui le premier en arrive à cette conclusion doit donner immédiatement deux sons nets de son sifflet, auxquels l'homme de barre de l'autre navire doit répondre promptement par deux coups de sifflet pareils, et les deux navires doivent alors passer à tribord l'un de l'autre. Il est *toutefois stipulé* que dans tous les *chenaux étroits* où il existe un courant, et sur les rivières Sainte-Marie, Saint-Clair, Détroit, Niagara, et le fleuve

Saint-Laurent, lorsque deux vapeurs se rencontrent le vapeur qui descend le cours d'eau a le droit de passage et doit, avant que les deux navires ne se trouvent à une distance d'un demi mille l'un de l'autre, faire le signal de rigueur pour indiquer de quel côté de l'autre navire il a l'intention de passer. La nuit on doit admettre que deux vapeurs "*marchent l'un sur l'autre*", tant que les deux feux de couleur de l'un sont aperçus de l'autre.

ARTICLE 26.—Quand un vapeur suit un chenal et s'approche d'un coude accentué ou courbe de la voie d'eau, dont la nature élevée de la rive, ou tout autre cause, empêche que ledit navire puisse apercevoir un vapeur venant vers lui en sens opposé à une distance d'un demi mille, l'homme de barre ainsi tenu dans l'ignorance de ce qui se passe au delà de la courbe, doit, lorsque son navire arrive à un demi mille d'une telle courbe, donner un son long de son sifflet, signal auquel doit répondre par un signal pareil l'homme de barre de tout vapeur qui l'aurait entendu et marcherait à un demi mille dudit coude ou courbe dans le sens opposé du bâtiment ayant fait le premier signal. Quand la réponse du long coup de sifflet est convenablement donnée par le navire dont on supposait la présence derrière l'obstacle, les deux navires s'approchant l'un de l'autre doivent faire immédiatement les signaux d'appel et de réponse que se font habituellement les vapeurs qui se rencontrent. Si l'homme de barre qui a fait le premier signal à l'approche d'une courbe ne reçoit pas de réponse, il est en droit de supposer que le chenal est libre et gouverner en conséquence.

ARTICLE 27.—Lorsqu'un vapeur quitte son bassin ou son poste d'amarrage, et que, d'autres vapeurs peuvent avoir à s'en approcher en venant d'une direction quelconque, le vapeur qui se déplace et tout vapeur s'en approchant doivent faire les signaux que font les vapeurs qui se rencontrent sur le coude d'une voie d'eau; mais, dès que le vapeur quittant son bassin ou son poste d'amarrage se trouve en pleine vue, on doit faire les signaux que le règlement exige des bâtiments qui se rencontrent normalement.

ARTICLE 28.—Quand deux vapeurs étant en marche l'un d'eux atteint l'autre et que l'homme de barre du vapeur se trouvant en arrière désire passer à droite, c'est-à-dire, à tribord du vapeur se trouvant en avant, il doit donner un son bref de son sifflet, afin de signaler son désir et son intention; il doit mettre sa barre à bâbord; et s'il désire passer à gauche, c'est-à-dire à bâbord du vapeur en avant de lui, il doit donner deux sons brefs de son sifflet, afin de signaler son désir et son intention et il doit mettre la barre à tribord; cependant que l'homme de barre du vapeur se trouvant en avant doit répondre en faisant le même signal; que si ce dernier homme de barre est d'avis qu'il n'est pas prudent que le vapeur le suivant essaye de le dépasser sur ce point de leur route, il doit immédiatement en faire part au bâtiment en arrière en donnant cinq sons brefs et rapides ou plus de son sifflet, le vapeur en arrière ne devant alors dans aucun cas essayer de dépasser le vapeur qui se trouve en avant de lui, et ce jusqu'au moment où les deux vapeurs ont atteint un point de leur route où l'un peut dépasser l'autre sans danger, alors que le vapeur se trouvant en avant signifiera à l'autre qu'il consent à être dépassé en faisant les signaux convenables. Dans aucun cas le navire en avant ne doit essayer de couper la route de celui qui le suit ou le gêner en trop se portant de son côté.

Tout navire qui en atteint un autre sous une direction de plus de deux quarts sur l'arrière de son travers, c'est-à-dire, qui se trouve dans une position telle, relativement au navire atteint, que pendant la nuit il ne pourrait apercevoir ses feux de côté, est censé être un navire qui *en atteint un autre*; quelque soit le changement subséquent de la route des deux navires celui qui atteint l'autre ne peut, d'après ce règlement, prétendre avoir le droit de couper la route du navire se trouvant en avant, ou être exempté du devoir de parer le navire atteint, jusqu'à ce que celui-ci soit passé et hors de danger.

Or, comme pendant le jour le navire qui en atteint un autre ne peut pas toujours savoir avec certitude s'il a dépassé ou non la direction mentionné ci-dessus par rapport à l'autre navire, il doit dans le doute, présumer qu'il se trouve être positivement un navire qui en atteint un autre et parer la roue de ce dernier.

ARTICLE 29.—Dans tous les chenaux ayant moins de cinq cents pieds de largeur aucun navire à vapeur n'est autorisé à en dépasser un autre marchant dans la même direction, à moins que le vapeur se trouvant en avant ne soit désarmé ou n'ait signifié qu'il consent à ce que le navire à vapeur se trouvant derrière lui le dépasse, auquel cas ce dernier peut le dépasser pourvu, néanmoins, qu'il observe les dispositions du règlement auxquelles il est sujet dans ce cas. Lorsque deux navires à vapeur font route en sens opposé et sont sur le point de se rencontrer sur un chenal ayant moins de cinq cents pieds de largeur, ces deux navires doivent ralentir leur marche et marcher à une vitesse modérée, en tenant compte des circonstances.

ARTICLE 30.—Lorsque deux navires à vapeur s'approchent l'un de l'autre à angle droit ou obliquement, au risque d'un abordage, de nature différente de celui pouvant se produire dans le cas d'un vapeur qui en atteint un autre, le vapeur qui a l'autre vapeur à bâbord ne doit ni modifier sa route ni ralentir sa marche, et le vapeur qui a l'autre vapeur à tribord doit se dérouter pour ce dernier, et gouverner sur tribord de manière à couper la route de l'autre vapeur à l'arrière de celui-ci, ou, si nécessaire,

ralentir sa marche, ou stopper ou renverser sa marche. Le vapeur qui a l'autre par le bossoir de cbâbord doit donner un son de son sifflet, pour signaler qu'il a l'intention de couper sa route en passant devant lui, et le vapeur qui fait ce signal doit poursuivre sa route et ne pas ralentir sa marche. A ce signal l'autre vapeur doit répondre promptement par un son bref de son sifflet, pour signaler qu'il a l'intention de gouverner sur tribord de manière à couper la route de l'autre vapeur en passant en arrière de lui ou qu'il entend éviter tout danger d'abordage.

Si pour une raison quelconque l'état de choses considéré dans cet article est tel qu'il empêche d'obéir immédiatement aux manœuvres imposées par les signaux échangés entre les deux vapeurs, la méprise ou l'objection se présentant doivent être notifiés en faisant donner au sifflet le son propre au signal du danger, et les deux vapeurs doivent stopper et faire machine en arrière, si c'est nécessaire, jusqu'à ce que les signaux devant permettre de passer en toute sécurité soient compris.

Article 31. Lorsque deux navires sous vapeur courent l'un sur l'autre, ou à peu près, et qu'il y a risque d'abordage, tous deux doivent venir sur tribord pour passer à bâbord l'un de l'autre.

Article 32. Si deux navires sous vapeur font des routes qui se croisent et les exposent à s'aborder, celui qui voit l'autre par tribord doit manœuvrer de manière à ne pas gêner la route de ce dernier.

Article 33. Si deux navires, l'un à voiles, l'autre sous vapeur, font des routes qui les exposent à s'aborder, le navire sous vapeur doit manœuvrer de manière à ne pas gêner la route du navire à voiles.

Article 34. Lorsque, d'après les articles de ce règlement, un navire doit s'écarter de la route d'un autre navire, celui-ci doit poursuivre sa route sans ralentir sa marche.

Article 35. Tout navire qui d'après les articles de ce règlement doit se déranger pour un autre navire, doit en l'approchant, si nécessaire, ralentir sa marche, ou stopper ou faire machine en arrière.

Article 36. Nonobstant tout ce qui est contenu au présent règlement, tout navire qui en atteint un autre, doit se déranger pour le navire qu'il atteint.

Article 37. En se conformant aux articles de ce règlement et en les interprétant, il faut tenir compte de tous *les dangers de la navigation*, et avoir égard à toutes les *circonstances particulières* qui peuvent rendre nécessaire une dérogation aux dispositions de ce règlement, afin de parer à un péril immédiat.

Article 38. Rien dans les articles de ce règlement ne saurait affranchir un navire quel qu'il soit, son propriétaire, son capitaine ou son équipage, des conséquences d'une omission de porter des feux ou signaux, d'un défaut de surveillance convenable, ou, enfin, d'une négligence quelconque des précautions commandées par la pratique ordinaire de la navigation ou par les circonstances particulières de la situation.

#### DIAGRAMMES.

Les diagrammes suivants ont pour but de permettre d'interpréter la signification, des feux de couleur et les règles qui doivent guider les hommes de barre.

##### PREMIÈRE POSITION.

Dans ce cas les deux feux de couleur visibles de chacun des navires, indiquent qu'ils "courent l'un sur l'autre" en droite ligne. Dans cette position il est de règle établie que chaque navire doit mettre sa barre à bâbord et passer à bâbord de l'autre bâtiment, chacun deux ayant au préalable donné un son de son sifflet.

##### DEUXIÈME POSITION.

Dans ce cas chacun des navires ne peut voir que le feu rouge de l'autre, les écrans empêchant de voir les feux verts. Chacun des navires passe évidemment à bâbord de l'autre, ce qui est de règle. Dans cette position, chaque homme de barre doit au préalable signifier son intention de ce faire en donnant un son de son sifflet.

TROISIÈME POSITION.

Dans ce cas chacun des navires ne peut voir que le feu vert de l'autre, les écrans empêchant de voir les feux rouges. Chacun des navires passe évidemment à tribord de l'autre, ce qui est de règle dans cette position, et chaque homme de barre doit au préalable signifier son intention de ce faire en donnant deux sons de son sifflet.

QUATRIÈME POSITION.

Dans ce cas un des deux vapeurs atteint l'autre vapeur d'un point situé dans l'angle des 2 quarts sur l'arrière du travers de chaque bord du navire atteint. Le navire qui atteint l'autre peut passer à tribord ou à bâbord de celui-ci qui se trouve en avant de lui, mais il doit d'abord faire les signaux nécessaires pour le dépasser, et ce avec le consentement du navire qui est atteint, les signaux étant ceux prescrits à l'article 28.

CINQUIÈME POSITION.

Dans ce cas deux vapeurs s'approchent l'un de l'autre à angle droit ou obliquement *de manière à encourir des risques d'abordage*, autres que s'il s'agissait d'un vapeur en atteignant un autre.

Le vapeur qui a l'autre à *bâbord* doit poursuivre sa route sans ralentir sa marche et l'autre se déranger en coupant la route du premier en arrière de celui-ci, qui poursuit sa route sans ralentir sa marche, ou, si c'est nécessaire, le navire qui se déranger doit ralentir sa marche, stopper, ou faire machine en arrière.

Que s'il en était autrement, chacun des deux vapeurs doit observer les dispositions de l'article 30 ayant trait aux signaux à faire pour passer et à ceux pour éviter tout danger.

DÉFENSE DE DONNER DES COUPS DE SIFFLETS INUTILES.

ARTICLE 39.—Aucun officier breveté chargé d'un vapeur ne doit autoriser ou permettre de donner des coups de sifflet à vapeur inutiles.

SIGNAUX DE DÉTRESSE.

ARTICLE 40.—Lorsqu'un navire est en détresse et a besoin du secours d'autres navires, ou de la terre, les signaux suivants doivent être faits par ce navire, soit ensemble, soit séparément, savoir:—

Pendant le jour:

1. Un coup de canon ou autre signal par explosion, tiré à des intervalles d'environ une minute;
2. Le signal de détresse indiqué par N.C. dans le Code International des signaux;
3. Le signal éloigné, fait à l'aide d'un pavillon carré ayant soit au-dessus soit au-dessous un ballon ou quelque chose ressemblant à un ballon;
4. Un son continu produit par un appareil de signal de brume.

Pendant la nuit:

1. Un coup de canon ou autre signal par explosion, tiré à des intervalles d'environ une minute;
2. Des flammes sur le navire, telles que produites par la combustion d'un baril à goudron ou à huile, etc.;
3. Des fusées ou bombes tirées une à la fois à de courts intervalles, et projetant en l'air des étoiles de couleur ou d'aspect varié;
4. Un son continu produit par un appareil de signal de brume.

DISPOSITIONS CONCERNANT LES BATEAUX A MOTEUR.

NOTIONS PRÉLIMINAIRES.

Dans les articles suivants du présent règlement l'expression "bateaux à moteur" comprend tout bateau pour la progression duquel on emploie des machines, et qui n'a pas plus de soixante-cinq pieds de longueur. Mais on fit exception pour les remorqueurs dont la vapeur assure la progression. La longueur du bateau doit être mesurée de l'une à l'autre de ses extrémités sur le pont, dont on ne tiendra pas compte de la tonture.

ARTICLE 41. Les bateaux à moteur que visent les dispositions de ce règlement appartiennent aux catégories suivantes:

Première catégorie: bateaux de moins de 26 pieds de longueur.

Deuxième catégorie: bateaux de 26 pieds ou plus de longueur et de moins de 40 pieds de longueur.

Troisième catégorie: bateaux de 40 pieds ou plus de longueur mais dont la longueur ne dépasse pas 65 pieds.

ARTICLE 42. Tout bateau à moteur doit par tous les temps depuis le coucher du soleil jusqu'au moment où il se lève, montrer les feux suivants à l'exclusion de tous autres feux pouvant être confondus avec ceux que le règlement prescrit de montrer.

(a) Tout bateau à moteur de la première catégorie doit porter les feux suivants:

Premièrement: un feu blanc à l'arrière disposé de manière à projeter tout autour de l'horizon une lumière claire.

Deuxièmement: Un fanal à combinaison que l'on doit placer à l'avant du bateau, plus bas que le feu blanc de l'arrière et pouvant montrer un feu vert sur tribord et un feu rouge sur bâbord, établi de manière à projeter une lumière ininterrompue verte à tribord depuis l'avant jusqu'à deux du travers à tribord, et un feu rouge sur bâbord établi de manière à projeter une lumière ininterrompue rouge à bâbord depuis l'avant jusqu'à deux quarts sur l'arrière du travers à bâbord.

(b) Tout bateau à moteur de la deuxième catégorie et de la troisième catégorie, doit porter les feux suivants:—

Premièrement:—Un feu blanc brillant à l'avant du bateau et aussi près de l'étrave que possible, disposé de manière à montrer une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de vingt quarts ou rums du compas, soit dix quarts de chaque côté du bateau, c'est-à-dire depuis l'avant jusqu'à deux quarts sur l'arrière du travers de chaque bord. Le verre ou la lentille du fanal de ce feu ne doit pas avoir des dimensions inférieures aux suivantes:—

Pour la deuxième catégorie:—Dix-neuf pouces carrés;

Pour la troisième catégorie:—Trente et un pouces carrés.

Deuxièmement: Un feu blanc à l'arrière disposé de manière à projeter tout autour de l'horizon une lumière claire.

Troisièmement:—A tribord, un feu vert établi de manière à projeter une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de dix quarts ou rums du compas c'est-à-dire depuis l'avant jusqu'à deux quarts sur l'arrière du travers à tribord. A bâbord un feu rouge établi de manière à projeter une lumière ininterrompue sur tout le parcours d'un arc de l'horizon de dix quarts ou rums du compas, c'est-à-dire depuis l'avant jusqu'à deux quarts sur l'arrière du travers à bâbord. Les verres ou lentilles des fanaux de ces feux de côté ne doivent pas avoir des dimensions inférieures aux suivantes sur les bateaux à moteur:—

Deuxième catégorie: Seize pouces carrés.

Troisième catégorie: Vingt-cinq pouces carrés.

Le et après le 1<sup>er</sup> mars mil neuf cent dix-sept, tous les verres ou lentilles exigés par le paragraphe (b) de l'article 42 devront être du type fresnel ou à cannelures. Les feux susdits doivent être établis sur des boîtes ouvertes ou écrans de hauteur suffisante, et disposés de façon que les feux ne puissent être vus du bossoir opposé. Ils ne doivent pas avoir de dimensions inférieures aux suivantes, savoir, sur les bateaux à moteurs de:—

Deuxième catégorie: Dix-huit pouces de longueur.

Troisième catégorie: Vingt-quatre pouces de longueur. Il est *pourvu* que les bateaux à moteur, tels que définis dans ce règlement, doivent porter des feux de couleur convenables, avec écrans, mais non les feux blancs prescrits dans cet article, lorsque ces bateaux emploient pour leur progression des voiles et des machines ou seulement des voiles.

ARTICLE 43.—(a) D'après les dispositions de ce règlement, chaque bateau à moteur doit être pourvu d'un sifflet ou autre dispositif mécanique pouvant donner des sons de signaux, et à même de donner un son de deux secondes ou plus de durée. Dans le cas des bateaux ainsi pourvus, un son d'au moins deux secondes de durée sera considéré comme un son long, en tant que peuvent le signifier les dispositions de ce règlement.

(b) Tout bateau à moteur de la deuxième catégorie ou de la troisième catégorie, doit porter un cornet à bouquin ne laissant rien à désirer.

(c) Tout bateau à moteur de la deuxième catégorie et de la troisième catégorie, doit être pourvu d'une bonne cloche: qui ne doit pas avoir moins de huit pouces de diamètre à sa partie la plus évasée, lorsque cette cloche se trouve à bord de bateaux appartenant à la troisième catégorie.

ARTICLE 44.—Tout bateau à moteur et tout autre bateau dont la progression est assurée par l'emploi de machines autres que la machine à vapeur, ce bateau ayant plus de soixante-cinq pieds de longueur, doit disposer de moyens rapides pour éteindre promptement et comme il faut de la gasoline ayant pris feu.

ARTICLE 45.—Le présent règlement aura force et effet à partir du 1<sup>er</sup> mars mil neuf cent seize inclusivement, et il remplacera tout règlement existant antérieurement, pour prévenir les abordages sur les Grands-Lacs, etc.

(2) For the purposes of this Order the limits of the approved ports shall be those specified in the First Schedule to this Order, and any part of an approved port outside those limits shall be treated as though it were part of a prohibited port.

(3) A Secretary of State may by order, after consulting the Admiralty and the Army Council, add any port to the list of approved ports, or remove any port from that list, and prescribe or alter the limits of any approved port ; and this Order shall thereupon have effect accordingly.

##### *Aliens entering the United Kingdom.*

2.—(1) An alien shall not land in the United Kingdom at a prohibited port.

Provided that—

may safely be permitted to land, he may grant him permission accordingly ; and

(b) subject to the provisions of this Order the foregoing prohibition shall not, unless in any particular case an aliens officer so directs, apply to an alien friend who is the master or a member of the crew of a vessel arriving at a prohibited port, if whilst he is on shore he complies with such requirements (if any) as may be imposed upon him or upon masters and seamen generally by an aliens officer at the port ;

and any alien friend who lands in accordance with this proviso, and, if conditionally disembarked, who complies with the conditions, shall not be liable to any penalty for landing at the port in question.

3. An alien enemy shall not land in the United Kingdom at an improved port without the permission of a Secretary of State.

4. An alien arriving at an approved port may, if a Secretary of State so directs, or if an aliens officer at the port is satisfied that he cannot safely be permitted to land in the United Kingdom, be treated as though the port were a prohibited port.

5. Provided that where an aliens officer considers that an alien friend arriving at any port may safely be permitted to land with any such articles as aforesaid in his possession, he may permit him to land accordingly, and the foregoing provisions of this Article shall not apply.

7. An alien conditionally disembarked under the directions of an aliens officer for the purpose of inquiry or examination shall not for the purposes of this Order be deemed to have landed so long as the conditions are complied with.

8. An alien shall not, except in pursuance of an order of deportation under this Order embark in the United Kingdom at a prohibited port :

and any alien friend who embarks in accordance with this proviso shall not be liable to any penalty for embarking in the United Kingdom at the port in question.

9. Where an alien enemy is about to leave any port on board a vessel on which he has arrived at the port he may for the purposes of this Order, if a Secretary of State so directs or if it appears necessary to an aliens officer in the interests of public safety, be treated as though he had embarked at that port in contravention

of this Order, but shall not be subject to any fine or imprisonment for so embarking.

10. An alien enemy shall not, except in pursuance of an order of deportation under this Order, embark in the United Kingdom at an approved port, unless provided with a permit issued by a Secretary of State:

Provided that an alien enemy about to embark in the United Kingdom at an approved port, even when provided with such permit as aforesaid, may, if a Secretary of State so directs, or if in the opinion of an aliens officer he cannot safely be permitted to embark, be treated as though the port were a prohibited port.

11. An alien embarking or about to embark in the United Kingdom in contravention of this Order may, until dealt with under this Order, be detained in such manner as a Secretary of State may direct, and whilst so detained shall be deemed to be in legal custody.

12.—(1) A Secretary of State may order the deportation of any alien, and any alien with respect to whom such an order is made shall forthwith leave and thereafter remain out of the United Kingdom.

(2) Where an alien is under the provisions of this Article prohibited from landing at any port, an aliens officer at that port may nevertheless grant him temporary permission to land for such purposes and subject to such conditions as a Secretary of State may from time to time prescribe, either generally or as respects any particular port or vessel.

13.—(1) The master of every vessel, whether British or foreign, arriving at or leaving a port in the United Kingdom shall, immediately on the arrival of the vessel at that port, or, as the case may be, not more than twenty-four hours before leaving that port, furnish to an aliens officer at that port, with respect to all persons on board the vessel, or intending to embark on the vessel, such particulars in such manner as a Secretary of State may direct, and shall otherwise take all reasonable steps in his power for securing the enforcement of this Order.

(2) The master of a vessel arriving at or leaving any port shall not permit any persons to land or to embark without the sanction of an aliens officer at the port.

(2) The areas specified in the Second Schedule to this Order shall be prohibited areas for the purposes of this Order:

Provided that a Secretary of State may by order, after consulting the Admiralty and the Army Council, add any area to the list of prohibited areas in the said Schedule, or remove any area or part of an area from that list; and this Order shall thereupon have effect accordingly.

18A. A Belgian refugee shall not come to reside either temporarily or permanently in any prohibited area unless provided with a permit issued by the registration officer of the district, subject to the general or special instructions of a Secretary of State.

18B. (1) As from the thirteenth day of March, nineteen hundred and sixteen, an alien shall not, without the special permission of the registration officer, enter, or be in any prohibited area unless he has in his possession an identity book obtained in pursuance of this Order and duly filled in and attested:

Provided that—

(a) where an alien was on the thirteenth day of March, nineteen hundred and sixteen, resident and duly registered in a prohibited area, this provision shall not apply to him in respect of that area so long as he continues to reside therein; and

(b) a Secretary of State may exempt from the provisions of this Article any class of aliens, where he is satisfied that satisfactory means are provided for their identification, other than the possession of an identity book; and

(c) An alien coming from any place out of the United Kingdom and landing in the United Kingdom without an identity book may, subject to the provisions of this Order, be allowed to proceed to his destination in the United Kingdom if the passport or other document with which he is required to be furnished on landing in the United Kingdom contains, or if he supplies, such of the particulars required to be contained in an identity book as may be required by an aliens officer; but any such alien shall proceed directly to his destination, and on arriving there shall, within twenty-four hours, comply with all the provisions of this Order which are applicable to him; and

If any alien when so required by any officer or by any soldier or sailor engaged on sentry patrol or other similar duty, or by any aliens officer or police constable fails to produce his identity book at any time when he is required to be in possession of the same under this article, he may, without prejudice to any other penalty, be detained pending the making of inquiries as to his identity, and while so detained shall be deemed to be in legal custody.

(2) Subject to the special or general instructions of a Secretary of State, any alien who has after the thirteenth day of March, nineteen hundred and sixteen, entered a prohibited area in which he was not resident on that date may be ordered by the registration officer for that area to leave the area forthwith, and not to enter that area subsequently without his special permission, and the alien shall comply with the order.

(3) When any such special permission of a registration officer as aforesaid has been granted subject to any conditions, and the person to whom it is granted fails to comply with any such condition, he shall be deemed to be guilty of a contravention of this Order.

18c.—(1) The provisions contained in the Third Schedule to this Order shall have effect with respect to identity books.

(2) If any person uses for the purposes of this Order an identity book relating to any person other than himself, or, in filling in or attesting the particulars in an identity book, or for the purpose of obtaining an identity book, whether for himself or any other person, makes any false statement or false representation, he shall be deemed to have acted in contravention of this Order.

(4) Every alien shall furnish to the registration officer, in addition to any such particulars as aforesaid, any information which may reasonably be required for the purpose of registering the alien, or maintaining the correctness of the particulars entered on the register.

The keeper of every such hotel, inn, boarding-house, or lodging-house shall, as soon as may be after any such person comes to stay at the hotel, inn, boarding-house, or lodging-house, ascertain, and enter in the register kept for the purpose, his name and nationality, together with the date of his arrival; and on the departure of any such person, he shall, as soon as may be, enter the date of departure and destination on departure of that person in the register, and he shall also ascertain and enter in the register from time to time such other particulars as may be prescribed by a Secretary of State, and if the keeper of an hotel, inn, boarding-house, or lodging-house fails to comply with any of the foregoing provisions of this article, or if he makes any entry in any such register which he knows or could by the exercise of reasonable diligence have ascertained to be false, he shall be deemed to be guilty of a contravention of this Order.

(2) The keeper of every hotel, inn, boarding-house, or lodging-house shall also, if directions for the purpose are issued by a Secretary of State, make to the registration officer of the registration district in which the hotel, inn, boarding-house, or lodging-house is situate, such returns as to the persons staying at the hotel, inn, boarding-house or lodging-house, at such times or intervals and in such form as may be specified in such directions, and if he fails to do so, or makes any false return, he shall be deemed to be guilty of a contravention of this Order.

(3) It shall be the duty—

(a) of the keeper of every hotel, inn, boarding-house, and lodging-house, with a view to ascertaining whether any person staying at the hotel, inn, boarding-house or lodging-house is or is not an alien, to require every person (whether an alien or not) who stays at the hotel, inn, boarding-house, or lodging-house to furnish to him, in such form as may be prescribed by a Secretary

of State, a signed statement as to the particulars contained in that form; and

(b) of every person (whether an alien or not) to furnish the said particulars and such a signed statement as aforesaid when so required.

[403]  
AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 28th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior, stating that on the 5th day of August, 1907, homestead entry for the north-west quarter of Section 8, Township 61, Range 26, west of the 4th Meridian, in the Province of Alberta, containing 160 acres, was granted to James Chisholm, who subsequently, on the 18th November, 1908, executed a lien for \$309.95 in favour of the Canadian Pacific Railway Company, covering an advance of that amount to Mr. Chisholm and which was recorded against the land.

That the homesteader, James Chisholm, having failed to proceed with the necessary homestead duties, and application for the cancellation of the entry having been made, in default of a defence, the entry was cancelled and a new entry granted on the 29th July, 1911 to one James Rimmer, which entry still stands.

That the entry to James Rimmer was granted inadvertently and in error as under the provisions of The Dominion Lands Act the lienholder (The Canadian Pacific Railway Company) was entitled to a patent for the land subject to placing thereon another bona fide settler and failing to secure such patent for the quarter in question are entitled to another quarter section in lieu thereof.

That the company has selected the northwest quarter of Section 14, Township 9, Range 30, west of the 2nd Meridian, in the Province of Saskatchewan, containing 159 acres, which it required for the Assiniboia Water Supply and which is available for the purpose, having been abandoned, upon payment of \$1,000 in favour of the Railway Company by one Carl Mollberg who held entry therefore as a pre-emption.

The Minister further states that both the quarter-sections referred to have been inspected and valued by officers of the Department of the Interior, the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian, at \$10.00 an acre, and the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 20, west of the 2nd Meridian, at \$25.00 an acre, that the Canadian Pacific Railway Company has remitted to the Department the sum of \$1,375.00 being the difference in the value thereof less the amount of \$1,000 paid by the company to the former entrant of the N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, and has also discharged the lien registered against the N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 26, west of the 4th Meridian.

The Minister recommends that this exchange be confirmed under section 76 of The Dominion Lands Act and that letters patent be issued in favour of the Canadian Pacific Railway Company for the said N.W.  $\frac{1}{4}$  of Section 14, Township 9, Range 30, west of the 2nd Meridian, in lieu of the said N.W.  $\frac{1}{4}$  of Section 8, Township 61, Range 28, west of the 4th Meridian, to which the company was entitled as statutory lienholders.

The Committee concur in the foregoing recommendation and submit the same for approval.

WHEREAS application has been made by the German Baptist Church of Hilda, in the Province of Alberta, for a grant for church purposes of ten acres of land comprised in the N.W.  $\frac{1}{4}$  of Section 23, Township 17, Range 1, west of the Fourth Meridian, in the said Province of Alberta ;

And whereas the Minister of the Interior is of opinion that the application should receive favourable consideration and the land is available according to the records of the Department of the Interior,—

Therefore His Royal Highness the Governor General in Council is pleased, under the provisions of section 76 of The Dominion Lands Act, to set apart and appropriate for church purposes ten acres of land comprised in the N.W.  $\frac{1}{4}$  of Section 23, Township 17, Range 1, west of the Fourth Meridian, in the said Province of Alberta, and to authorize a grant thereof to the German Baptist Church of Hilda, in the Province of Alberta, for the said purposes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 25th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 21st February, 1916, from the Minister of the Interior stating that conflicting claims have been made with respect to the southwest quarter of Section ten (10), Township twenty (20), Range two (2), west of the Fifth (5th) Meridian, by Elizabeth Fisher, as administratrix of the late Joseph Fisher, rancher, of Millarsville, in the Province of Alberta, and Robert James Price, farmer, of Black Diamond, in the same Province.

The Minister reports as follows in reference thereto. viz :—

The land in dispute is claimed by the Fisher estate under a sale to Joseph Fisher by authority of an Order in Council, dated 21st May, 1908. The land was sold at the rate of \$3.00 per acre, subject to a rebate representing the cost of certain irrigation works to be constructed thereon and upon adjacent lands and formed part of a tract of two thousand acres sold to the late Joseph Fisher at the same rate and subject to the same conditions. The land has been paid for in full and the conditions of the sale have been fulfilled.

Robert J. Price claims the said quarter section under homestead entry dated 18th May, 1906, which entry was cancelled on the 14th November, 1907, but was reinstated on the 27th October, 1911. Mr. Price has been in continuous residence on the land since about the date of his original entry and has placed valuable improvements thereon in the shape of buildings, fences, wells, breaking, clearing and cultivation. Mr. Fisher constructed an irrigation ditch across the quarter section as part of his irrigation project, but has not otherwise occupied or improved the land.

When the land was sold to Joseph Fisher in May, 1908, Mr Price's homestead entry had been cancelled and the land was at that time available for the purpose of the sale, notwithstanding the fact that Mr. Price was still in residence on the land and that he had refused to remove therefrom.

It subsequently became apparent that Mr. Price's claim to the land had not been given sufficient consideration at the time his entry was cancelled and his rights were accordingly recognized by the reinstatement of his entry in October, 1911. In the meantime, however, the land had been legally sold to Mr. Fisher and paid for by him, so that the tardy recognition of Mr. Price's claim was unjust to Mr. Fisher whose irrigation project was thus made less valuable, and, further, because control of the ditches which crossed the southwest quarter of the said section ten was essential to the irrigation of other portions of his irrigation project.

Repeated efforts have been made to reconcile these conflicting claims, but, until very recently, without success. An arrangement has, however, now been made whereby Mrs. Fisher agrees to relinquish all claim to the land upon certain conditions which it is within the power of the Minister to grant and which are considered reasonable, and the further condition that she be granted another quarter section of land in lieu of the one relinquished.

The Minister, therefore, recommends that he be authorized to permit Mrs. Elizabeth Fisher, as administratrix of the estate of the late Joseph Fisher, to select, free of all cost, another quarter section of land of the class available for homestead or pre-emption entry, in consideration of her relinquishment of all claim as such administratrix to said southwest quarter of Section ten, Township twenty, Range two, west of the First Meridian, such selection to be made within one year from this date.

The Committee concur in the above recommendation and submit the same for approval.

RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA  
Monday, the 28th day of February, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS application has been made on behalf of the Town of Hope, in the Province of British Columbia, for a permanent reservation of part of Lot 34, Suburban Block 1, in the Townsite of Hope, as a public park, to be designated "Wardle Park ;"

And whereas this lot, which contains 2.93 acres, was set apart as a park in the original survey of the suburban townsite ;

And whereas there are railway requirements in the Town of Hope and it will be necessary to set aside part of the above mentioned lot for railway purposes,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered that that portion of the above mentioned lot not required for railway purposes be reserved as a park, to be used only for the purpose for which this reservation is made.

AT THE GOVERNMENT HOUSE AT OTTAWA.  
Friday, the 3rd day of March, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 29th February, 1916, from the Minister of the Interior, submitting that William Creighton was permitted to locate South African Volunteer Bounty Scrip upon the east  $\frac{1}{2}$  of Section 23, Township 75, Range 15, west of the 5th Meridian, on the 26th June, 1911 ;

It would appear from evidence furnished that Mr. Creighton has performed the necessary residence duties with the exception of a term of three months and that he has made improvements consisting of thirty acres of cultivation, house, stable,  $2\frac{3}{4}$  miles of fencing and a well ;

The Minister submits the annexed copies of medical certificates from J. F. Brander, M.D., and M. E. Hall, M.D., stating that Mr. Creighton is suffering from a progressive disease of both eyes and also chest trouble,—

Under the circumstances, the Minister recommends that the residence requirements of The Dominion Lands Act be dispensed with in this case, under the authority of subsection 2 of section 20 of the Act, so that free patent may be issued to Mr. Creighton for the half section above described, upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.  
Saturday, the 11th day of March, 1916.

PRESENT :

HIS ROYAL HIGHNESS THE GOVERNOR  
GENERAL IN COUNCIL.

WHEREAS His Majesty's Government, holding that such action was essential to the defence and protection of the realm, passed an Order in Council on the 10th November, 1915, prohibiting British registered steamships exceeding 500 tons gross tonnage from engaging in voyages from one foreign port to another foreign port, as from the first day of December, 1915, unless the owners or charterers of such steamships had been granted a license to so trade ;

And whereas the aforesaid Order in Council authorized and directed the President of the Board of Trade

to appoint persons to carry out and give effect to the provisions of the Order and to grant licenses where and when desirable ;

And whereas the said Order in Council of the 10th November, 1915, was supplemented by an Order in Council of the 15th February, 1916, prohibiting British registered steamships in excess of 500 tons gross tonnage, except those engaged in the coasting trade of the United Kingdom, from proceeding on any voyage unless a license as provided for by the Order in Council of the 10th November, 1915, has issued ;

And whereas there are on the Canadian register upwards of 300 steamers with a gross tonnage of over five hundred tons, and these vessels or any number of them may engage without interference in voyages between one foreign port and another foreign port or between a port in Canada and a foreign port or *vice versa* ;

And whereas it is deemed desirable that, in the circumstances, Canadian registered steamers should not engage in voyages from one foreign port to another foreign port or from a port in Canada to a port in a foreign country and *vice versa*, except voyages from a port in Canada to a port in the United States of America and *vice versa*, without the knowledge or consent of the Government,—

Therefore His Royal Highness the Governor General in Council is pleased to order and it is hereby ordered as follows :—

(a) All Canadian registered steamers whose gross tonnage exceeds 500 tons are, as from the first day of April, 1916, prohibited from proceeding on any voyage excepting voyages from a port in Canada to another port in Canada and from a port in Canada to a port in the United States and *vice versa*, unless a license to do so has been granted to or in favour of the owners or charterers of such steamships ;

(b) The Minister of Marine and Fisheries is hereby authorized and directed to appoint a Committee of persons that shall have power to grant the licenses required by the next preceding paragraph, which may be general in reference to classes of ships or their voyages, or special ;

(c) The Minister of Marine and Fisheries is authorized from time to time, should necessity appear therefor, to add other persons as members of such Committee and to substitute as members thereof, other persons for such members as may from time to time die, resign or become incapable of acting thereon.

His Royal Highness the Governor General in Council under and in virtue of the provisions of section 8 of The War Measures Act, 1914, is further pleased to order and it is hereby ordered that all steamships failing or refusing to obtain a license as provided in the preceding sections hereof shall be subject to forfeiture.

Clerk of the Privy Council.

CIVIL SERVICE EXAMINATIONS.

PUBLIC Notice is hereby given that general competitive examinations, under the direction of the Civil Service Commission of Canada, will be held during the week beginning the 8th May, 1916, at Prince Rupert, Victoria, Vancouver, Nelson, Edmonton, Calgary, Moosejaw, Saskatoon, Regina, Brandon, Winnipeg, Port Arthur, Sault Ste. The examinations will have reference to the following permanent positions in the Inside Division of the Civil Service of Canada, which will require to be filled during the fiscal year 1916-1917, and the Commissioners take this opportunity of announcing that, from present indications, it is not probable that the requirements of the public service will render necessary another examination in the month of November next.

Persons desiring to qualify for appointment to the Inside Service should make a note of this fact, and present themselves, if possible, at the May examinations.

30 clerkships (for men) in Subdivision B of the Third Division. In the case of five of these clerkships, preference will be given to men who possess a knowledge of stenography.

The initial salary for clerks and stenographers in Subdivision B of the Third Division is \$500, and in Subdivision B of the Second Division \$800, but in case the qualifications required for the performance of the duties of a position are of an exceptional character, a further sum, not to exceed \$300 in the Third Division or \$500 in the Second Division, may be added to the initial salary by the Governor in Council.

A general examination for positions as messenger, porter, packer or sorter in the lower grade of the Inside Service, will be held at the same time and places as the above examination for clerkships.

It is also announced that a staff of fifty temporary female clerks will be required on or about the 15th June next for the compilation of the Census returns of the North West. These temporary clerks may be employed on the Census staff for any period not exceeding three years. They will be paid an initial salary of \$500 per annum, and will be eligible for an annual statutory increase of \$50. It should be understood, however, that they are not entitled by reason of service in the compilation of the census to any further employment. The temporary clerks required for the Census staff will be selected from the list in order of merit, of candidates at the regular examination for Third Division clerkships who have not obtained a sufficiently high standing on the list to be declared eligible for permanent appointment.

Persons desiring to present themselves for any of the above examinations may obtain all necessary information, copies of the rules and regulations, and forms of application, from the Secretary of the Civil Service Commission, Ottawa, either on personal application or by writing.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with

during that session the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

  - (c) The name and address of the solicitor, if any, acting for the respondent.
  - (d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.
- (6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

ATTENDU que le Gouvernement de Sa Majesté, considérant que la défense et la protection du royaume exigeaient telle mesure, a décrété par un arrêté en conseil daté le 10 novembre 1915 que dès et après le 1er décembre 1915 il serait défendu aux navires à vapeur d'un tonnage brut de plus de 500 tonnes, enregistrés dans le Royaume-Uni, de transporter des cargaisons d'un port étranger quelconque à un autre port étranger, à moins que l'armateur ou l'affrèteur n'ait obtenu un permis à cet effet ;

Et attendu que l'arrêté en conseil ci-dessus mentionné autorisait le président du Board of Trade à nommer certaines personnes pour l'exécution et la mise en vigueur des dispositions de cet arrêté, et lui enjoignait de ce faire où et quand il sera opportun ;

Et attendu qu'en supplément au dit arrêté en conseil du 10 novembre 1915, un arrêté en conseil du 15 février 1916, défendait à tout navire britannique enregistré d'un tonnage brut de plus de 500 tonnes, sauf les navires qui font le cabotage dans le Royaume-Uni, d'entreprendre un voyage quelconque à moins qu'un permis à cet effet n'ait été accordé ;

Et attendu que sont enregistrés au Canada plus de 300 navires d'un tonnage brut de plus de 500 tonnes, et que ces navires, ou un certain nombre, peuvent sans intervention entreprendre des voyages entre un port étranger et un autre port étranger, ou entre un port du Canada et un port étranger ou *vice-versa* ;

Et attendu que dans les circonstances il est jugé opportun que les navires enregistrés au Canada n'entreprennent pas de voyages d'un port étranger à un autre port étranger, ou d'un port en Canada à un port étranger ou *vice-versa*, excepté des voyages d'un port du Canada à un port des Etats-Unis d'Amérique et *vice-versa*, sauf au su et du consentement du Gouvernement,—

A ces causes, il plaît à Son Altesse Royale le Gouverneur général en conseil de décréter par ces présentes ce qui suit :

(a) Du premier jour d'avril 1916 il est défendu à tous les navires à vapeur d'un tonnage brut de plus de 500 tonnes, enregistrés au Canada, d'entreprendre de voyage quelconque, sauf entre un port du Canada et un autre port en Canada, et entre un port en Canada et un port aux Etats-Unis, à moins que pour ces fins n'ait été accordé un permis aux armateurs ou affrèteurs de ces navires.

(b) Le Ministre de la Marine et des Pêcheries est par ces présentes autorisé à nommer, et il lui est ordonné de nommer un comité de personnes qui pourront accorder les permis prescrits aux paragraphes précédents, soit permis généraux quant à la classe des navires ou quant à leurs voyages, soit permis spéciaux.

(c) Le Ministre de la Marine et des Pêcheries est autorisé à nommer de temps à autre, s'il est nécessaire, d'autres membres à ce comité, ou de substituer d'autres personnes en qualité de membres du comité à tous membres du dit comité qui décèderaient, démissionneraient ou deviendraient incapables de faire partie du comité.

Il plaît de plus à Son Altesse Royale le Gouverneur général en conseil, sous l'empire et en vertu des dispositions de l'article 8 de la *Loi des mesures de guerre, 1914*, de décréter et il est par ces présentes décrété que tous navires à vapeur qui négligent ou refusent de se munir d'un permis ainsi que prescrit aux présents articles est sujet à confiscation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 29 février 1916, représentant que le 26 juin 1911, William Creighton a obtenu la permission de choisir le terrain qui lui a été concédé sous l'empire de la *Loi accordant une gratification aux volontaires du Sud-Africain*, dans la moitié est de la section, 23, township 75, rang 15, à l'ouest du 5e méridien ;

Il appert que M. Creighton s'est acquitté des obligations de résidence à l'exception d'une période de trois mois, qu'il a fait des améliorations consistant en la mise en culture de 30 acres de terrain, la construction d'une maison et d'une étable, l'érection de deux milles et trois quarts de clôture et le creusage d'un puits ;

Le Ministre soumet les copies annexées de certificats médicaux des docteurs J. F. Brander et M. A. Hall, déclarant que M. Creighton souffre d'une affection progressive des deux yeux ainsi que d'une maladie de poitrine,—

Dans les circonstances, le Ministre recommande qu'en vertu du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, M. Creighton soit exempté des obligations de résidence exigées par la loi, afin que patente gratuite puisse lui être délivrée de la demi-section ci-dessus décrite, dès qu'il aura été prouvé de la manière ordinaire que les autres conditions de la loi ont été remplies.

Vendredi, le 25e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR  
GÉNÉRAL EN CONSEIL.

AU Comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur daté le 21 février 1916, représentant que des réclamations contradictoires ont été faites en rapport avec le quart sud-ouest de la section 10, township 20, rang 2, à l'ouest du 5e méridien, par Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, éleveur, de Millarsville, dans la province d'Alberta, et Robert James Price, cultivateur, de Black Diamond, dans la même province.

Le Ministre fait le rapport suivant quant à cette question, savoir :

Le terrain en litige est réclamé par la succession Fisher en raison d'une vente à Joseph Fisher autorisée par un arrêté en conseil daté le 21 mai 1908. Le terrain a été vendu au prix de \$3.00 l'acre, sujet à un rabais représentant le coût de certains travaux d'irrigation qui devaient être faits sur ces terres et sur les terres adjacentes. Ce terrain faisait partie des 2,000 acres vendus à feu Joseph Fisher au même prix et aux mêmes conditions. Le terrain a été entièrement payé et les conditions de la vente remplies.

Robert J. Price réclame le dit quart de section en vertu d'une inscription de homestead datée le 18 mai 1906, qui a été annulée le 14 novembre 1907, mais rétablie le 27 octobre 1911. M. Price a résidé continuellement sur le terrain depuis la date de sa première inscription et y a fait des améliorations importantes sous forme de bâtiments, clôtures, puits, défoncement, défrichement et culture. M. Fisher a creusé un canal d'irrigation traversant le quart de section en rapport avec son projet d'irrigation, mais n'a pas autrement occupé ou amélioré le terrain.

Lorsque le terrain a été vendu à Joseph Fisher, en mai 1908, l'inscription de homestead de M. Price avait été annulée et le terrain était alors disponible pour la vente, nonobstant le fait que M. Price y résidait encore et refusait de s'en départir.

On constata subséquemment que considération suffisante n'avait pas été donnée au titre de M. Price à ce terrain lorsque son inscription fut annulée, et, par conséquent, ses droits furent reconnus par le renouvellement de son inscription en octobre 1911. Dans l'entretemps, cependant, le terrain avait été légalement vendu à M. Fisher, qui en avait payé le prix, de sorte que la reconnaissance tardive des droits de M. Price était injuste pour M. Fisher dont le système d'irrigation subissait ainsi une dépréciation, et de plus parce que le contrôle des canaux d'irrigation qui traversaient le quart sud-ouest de la dite section dix étaient essentiels à l'irrigation d'autres parties de son système.

Des efforts répétés ont été faites pour réconcilier ces réclamations contradictoires, mais sans succès jusqu'à tout récemment. Toutefois, un arrangement a été effectué par lequel Madame Fisher consent à renoncer à tout titre au terrain à certaines conditions qu'il est du domaine du Ministre d'accorder et qui sont jugées raisonnables, et à condition de plus qu'il lui soit concédé un autre quart de section en remplacement de celui auquel elle renonce.

Par conséquent, le Ministre demande l'autorisation de permettre à Madame Elizabeth Fisher, à titre d'administratrice de la succession de feu Joseph Fisher, de choisir, libre de toute charge, un autre quart de section disponible pour l'inscription de homestead ou de préemption en considération de sa renonciation à tout droit au dit quart sud-ouest de la section 10, township 20, rang 2, à l'ouest 5e méridien, le choix du terrain devant être fait dans le délai d'un an de cette date.

Le comité agréé cette demande et la soumet pour approbation.

#### HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 28e jour de février 1916.

PRÉSENT :

SON ALTESSE ROYALE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 21 février 1916, représentant que le 5 août 1907 l'inscription de homestead pour le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien, dans la province d'Alberta, contenant 160 acres, a été accordée à James Chisholm, qui, subséquemment, le 18 novembre 1908, a donné une hypothèque pour \$309.95 à la Compagnie de chemin de fer Pacifique Canadien, couvrant une avance de ce montant faite à M. Chisholm et qui devint une charge sur le terrain ;

Le homesteader, James Chisholm, ayant négligé de remplir les obligations de homestead, et l'annulation de l'inscription ayant été demandée, la dite inscription a été annulée à défaut de défense et une nouvelle inscription a été accordée le 29 juillet 1911 à un certain James Rimmer, laquelle inscription prime encore ;

L'inscription à James Rimmer lui a été accordée par inadvertance et erronément, car d'après les dispositions de la *Loi des terres fédérales* le détenteur de l'hypothèque (la Compagnie du chemin de fer Pacifique Canadien) avait droit à la patente du terrain en y plaçant un autre colon, et si la patente pour le quart de section en question ne peut être accordée, la compagnie a droit à un autre quart de section ;

La compagnie a choisi le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, dans la province de la Saskatchewan, contenant 159 acres, qui lui était nécessaire pour l'approvisionnement d'eau d'Assiniboia et qui est disponible à cette fin, ce terrain ayant été cédé à la compagnie, sur paiement de la somme de \$1,000, par un certain Carl Mollberg qui en avait obtenu l'inscription en préemption ;

Le Ministre ajoute que les deux quarts de section ci-dessus mentionnés ont été inspectés et évalués par des fonctionnaires du Département de l'Intérieur, le quart nord-ouest de la section 8, township 61, rang 26,

à l'ouest du 4e méridien, \$10 l'acre, et le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, à \$25 l'acre. La Compagnie de chemin de fer Pacifique Canadien a remis au Département la somme de \$1,375.00, soit la différence dans la valeur de ces terrains, moins la somme de \$1,000 payée par la compagnie au premier inscrit pour le quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, et a aussi acquitté l'hypothèque sur le quart nord-ouest de la section 8, township 61, rang 26, à l'ouest du 4e méridien,—

Le Ministre recommande que cet échange soit confirmé en vertu des dispositions de l'article 76 de la *Loi des terres fédérales*, et qu'à la Compagnie de chemin de fer Pacifique Canadien soient délivrées les lettres patentes du dit quart nord-ouest de la section 14, township 9, rang 30, à l'ouest du 2e méridien, pour remplacer le dit quart nord-ouest de la section 8, township 61, rang 28, à l'ouest du 4e méridien, terrain auquel la compagnie avait droit à titre de créancier statutaire.

Le comité agréé cette recommandation et la soumet pour approbation.

mens de concours généraux seront tenus, sous la

nada, à commencer le 8 mai 1916, à Prince-Rupert,  
Victoria, Vancouver, Nelson, Edmonton, Moose-Jaw,

Arthur, Sault-Ste-Marie, London, Hamilton, Toronto,  
Kingston, Ottawa, Montréal, Sherbrooke, Québec,  
Frédéricton, St-John, N.-B., Moncton, Charlottetown,  
Yarmouth, Halifax et Sydney. Des examens pourront  
aussi être tenus à d'autres endroits, pourvu qu'un  
nombre suffisant de candidats s'inscrivent à un même  
lieu.

Les examens seront tenus en vue de remplir les posi-  
tions permanentes suivantes dans la division intérieure  
du Service Civil du Canada au cours de l'année fiscale  
1916-1917 et les Commissaires profitent de cette occa-  
sion pour annoncer que tout indique que les besoins  
des départements ne rendront pas nécessaire un autre  
examen au mois de novembre prochain. Les personnes  
désirant se qualifier pour emploi au Service civil inté-  
rieur sont priées de prendre note du fait et de se pré-  
senter aux examens de mai, si possible.

30 emplois (pour hommes) dans la subdivision B de  
la troisième division. Cinq de ces emplois seront don-  
nés de préférence à des personnes connaissant la sténo-  
graphie.

20 emplois de commis (pour femmes) dans la subdi-  
vision B de la troisième division. Seize de ces commis

division de \$800, mais au cas où il est nécessaire de  
posséder des aptitudes spéciales pour remplir les fonc-  
tions d'une charge, le Gouverneur en conseil peut  
ajouter au traitement minimum une somme addition-  
nelle ne dépassant pas \$300 pour la troisième division  
et \$500 pour la deuxième.

Un examen général pour positions de messenger, em-  
balleur, trieur et chargeur, dans les grades inférieurs

raison de leurs services aux travaux du recensement.  
Les commis temporaires requis pour les travaux du

## DEMANDES AU PARLEMENT.

## CHAMBRE DES COMMUNES.

## RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examineur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

## Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

## Dépôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion

de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

## Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

- |  |           |
|--|-----------|
| (a) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension..... | \$ 100 00 |
| (b) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième .....     | 100 00    |
| (c) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session.....                                     | 200 00    |
| (d) Lorsque le capital social projeté d'une compagnie dépasse \$250,000 et n'excède pas \$500,000.....                           | 100 00    |
| (e) Lorsque le capital social projeté d'une compagnie dépasse \$500,000, et n'excède pas \$750,000.....                          | 150 00    |
| (f) Lorsque le capital social projeté d'une compagnie dépasse \$750,000, et n'excède pas \$1,000,000.....                        | 200 00    |
| (g) Lorsque le capital social projeté d'une compagnie dépasse \$1,000,000, et n'excède pas \$1,500,000.....                      | 300 00    |
| (h) Lorsque le capital social projeté d'une compagnie dépasse \$1,500,000 et n'excède pas \$2,000,000.....                       | 400 00    |
| (i) Pour chaque million ou fraction de million de dollars additionnel.....   | 100 00    |

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de \$300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas b ou c de l'article 3, ne sera pas exigée.

THOMAS B. FLINT,

Greffier des Communes.

## RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

91. Toutes demandes, quelles qu'elles soient, adressées au Parlement pour bills privés, devront être précédées

mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893*.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.

d'un avis dans la *Gazette du Canada* ; le dit avis devra énoncer clairement et distinctement la nature et l'objet de la demande, et devra être signé par les postulants ou en leur nom avec les adresses des signataires ; et lorsque la demande aura pour objet un acte constitutif, le nom de la compagnie projetée devra être donné dans l'avis. Et si les travaux de quelque compagnie (constituée ou à être constituée en corporation) doivent être déclarés à l'avantage général du Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les postulants feront adresser une copie du dit avis, par lettre enregistrée, au greffier de chaque comté ou municipalité qui pourra être spécialement concernée dans la construction ou l'exploitation des dits travaux, et aussi au secrétaire de la province dans laquelle les dits travaux sont ou pourront être situés ; et une déclaration conforme à la loi devra attester que cette formalité a été remplie par les postulants.

4. *Une compagnie de banque ; une compagnie d'assurance ; une compagnie de fidéicommis ; une compagnie de prêt ; ou une compagnie industrielle*, sans pouvoirs exclusifs quelconques :— Dans la *Gazette du Canada* seulement.

B. Lorsque la demande sera aux fins d'amender un acte existant,—

1. Pour le prolongement de quelque ligne de chemin de fer ou de quelque canal, ou pour la construction d'embranchements des dits chemin de fer ou canal :— Dans la principale cité, la principale ville ou le principal village dans chaque district ou comté devant être traversé par le prolongement ou cet embranchement.

2. Pour la prolongation d'une charte ou du délai fixé pour la construction ou l'achèvement d'une ligne de chemin de fer, d'un canal, ou d'une ligne de télégraphe ou de téléphone quelconques, ou de tous autres travaux déjà autorisés ; ou pour l'extension des pouvoirs d'une compagnie (lorsque cela n'implique pas la concession de droits exclusifs) ; ou pour l'augmentation ou la réduction du capital social de quelque compagnie ; ou pour augmenter ou modifier ses pouvoirs d'émettre des obligations ou de contracter des emprunts, ou pour tout amendement pouvant porter atteinte aux droits ou intérêts des actionnaires ou des porteurs d'obligations ou des créanciers de la compagnie :— Dans la localité où le bureau principal de la compagnie est ou doit être autorisé à s'établir.

(C.) Lorsque la demande a pour objet d'obtenir pour une personne ou une corporation déjà constituée des droits ou privilèges exclusifs ou le pouvoir de faire quelque chose dont l'accomplissement pourrait porter atteinte aux droits ou aux biens d'autres personnes : dans la localité ou les localités particulières que l'acte projeté pourrait atteindre.

Tous ces avis, qu'ils soient insérés dans la *Gazette du Canada* ou dans un journal, devront être publiés au moins une fois par semaine pendant une durée de cinq semaines consécutives ; et en ce qui concerne les provinces de Québec et de Manitoba, ils devront y être publiés en anglais et en français ; et dans le cas où il n'y aurait pas de journal dans une localité où l'avis doit être donné, cet avis sera donné dans la localité la

plus rapprochée dans laquelle il se publie un journal ; et la preuve de la publication régulière de l'avis sera établie dans chaque cas par une déclaration conforme à la loi ; et toutes ces déclarations devront être transmises au greffier de la Chambre et être endossées "Avis de bill privé".

(D.) Tout pareil avis sera transmis par la poste par lettre enregistrée de manière à parvenir au secrétaire de la province, et au greffier du conseil de comté et de la corporation municipale, au moins deux semaines avant que l'Examineur ou le comité des ordres permanents ne prennent la pétition en délibération, et une déclaration conforme à la loi et établissant ce dépôt à la poste, sera adressée au greffier de la Chambre.

(E.) Tous bills privés pour actes constitutifs devront être dressés de manière à incorporer, par mode de renvoi, les clauses des actes généraux se rapportant aux détails auxquels ces bills doivent pourvoir ; l'on devra énoncer les raisons spéciales de toute déviation de ce principe, ou de l'introduction d'autres dispositions relatives à ces détails, et une note devra être annexée au bill pour indiquer les dispositions du bill au sujet desquelles l'on propose de s'écarter de l'acte général ; les bills qui ne seront pas rédigés conformément à cette règle, devront être remodelés par les promoteurs et réimprimés à leurs frais avant qu'aucun comité passe à l'examen de leurs clauses.

#### CARTES, PLANS ET PIÈCES ACCOMPAGNANT LES BILLS.

mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre,

huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,  
Greffier du Sénat.
